Requests shall be submitted to the Administrator, GSA, with factual justification.

§ 101-39.106 Unlimited exemptions.

Unlimited exemptions from inclusion in the fleet management system are granted to the specific organizational units or activities of executive agencies listed below. Unlimited exemp-

Vehicles regularly used for common administrative purposes not directly connected with the performance of law enforcement, investigative, or intelligence duties shall not be exempted from inclusion.

(b) Motor vehicles designed or used for military field training, combat, or tactical purposes, or used principally within the confines of a regularly established military installation.

(c) Any motor vehicle exempted from the display of conspicuous identification by the Administrator, GSA, when identification as a Government vehicle would interfere with the purpose for which it is acquired and used.

(1) Motor vehicles for the use of the heads of the executive agencies, ambassadors, ministers, charges d'affaires, and other principal diplomatic and consular officials.

(2) Motor vehicles regularly and principally used for the transportation of diplomats and representatives of foreign countries or by officers of the Department of State for the conduct of official business with representatives of foreign countries.
