

Federal Property Management Regulations

§ 101-43.4803

Supply condition code	Brief definition	Expanded definition
A	Serviceable (issuable without qualification).	New, used, repaired or reconditioned material that is serviceable and issuable to all customers without limitation or restriction. Includes material with more than 6 months shelf-life remaining.
B	Serviceable (issuable with qualification).	New, used, repaired, or reconditioned material that is serviceable and issuable for its intended purpose but is restricted from issue to specific units, activities, or geographical areas by reason of its limited usefulness or short service-life expectancy. Includes material with 3 through 6 months shelf-life remaining.
C	Serviceable (priority issue)	Items that are serviceable and issuable to selected customers, but must be issued before Conditions A and B material to avoid loss as a usable asset. Includes material with less than 3 months shelf-life remaining.
D	Serviceable (test/modification)	Serviceable material that requires test, alteration, modification, conversion, or disassembly. (This does not include items that must be inspected or tested immediately before issue.)
E	Unserviceable (limited restoration).	Material that involves only limited expense or effort to restore to serviceable condition and that is accomplished in the storage activity where the stock is located.
F	Unserviceable (reparable)	Economically reparable material that requires repair, overhaul, or reconditioning, including reparable items which are radioactively contaminated.
G	Unserviceable (incomplete)	Material requiring additional parts or components to complete the end item before issue.
H	Unserviceable (condemned)	Material that has been determined to be unserviceable and does not meet repair criteria, including condemned items that are radioactively contaminated.
S	Unserviceable (scrap)	Material that has no value except for its basic material content. No stock will be recorded as onhand in Condition Code S. This code is used only on transactions involving shipments to DPDO's. Material will not be transferred to Condition Code S before being turned in to PDO's if material is recorded in Condition Code A through H at the time material is determined excess. Material identified by NSN will not be identified by this Condition Code.
