### § 101-44.111 Preparation and processing of transfer orders.

Applications for transfer shall be prepared and processed in accordance with the instructions illustrated at § 101-44.4901-123-1.

### § 101-44.112 Approval or disapproval of transfer orders.

(a) Surplus property shall not be released by a holding activity for donation until it has received an SF 123 bearing the signed approval of the appropriate GSA official. In approving the SF 123, GSA regional offices will comply with the sequence established in § 101-44.109. An SF 123 which is not fully or properly prepared may be returned to the applicant or held in suspense until the required information is made available. In those cases in which property is specifically requested for the purpose of cannibalization, the following statement shall be included on the SF 123: "Item(s) \_\_\_\_\_ requested for cannibalization." Cannibalization requests may be approved when it is clear that disassembly of the item for use of its component parts will provide greater potential benefit than use of the item in its existing form. Upon the request of a GSA regional office, the State agency (or the donee in the case of property donated under the provisions of subparts 101-44.4 or 101-44.5) shall submit any additional information required to support and justify a donation application. The SF 123 will not automatically be held to the end of the screening period, but will be approved and distributed as expeditiously as possible. An SF 123 received after the end of the donation screening period may be approved if the property is still available, and the holding activity has agreed to set the property aside pending receipt of donation approval.

(b) An SF 123 may be disapproved, in whole or in part, when it is determined that it is in the public interest to do so, when there is a substantive defect in the order, when the property is not surplus, or when a transfer of the prop-

erty to a Federal agency is pending. The applicant and the holding activity will be informed in writing why the SF 123 was disapproved. When a donation transfer is disapproved because of a pending Federal transfer and the transfer is not completed subsequently, the applicant will be advised to resubmit SF 123.

### § 101-44.113 Rejection of property approved for transfer.

When a State agency or donee determines prior to pickup or shipment that property approved for transfer cannot be utilized, it shall so notify, through appropriate channels, the GSA regional office which approved the transfer, and the property will be released by GSA for other disposal. The GSA regional office may advise any other State agency known to be interested in the property of its possible availability and may approve a transfer request for donation purposes provided the holding activity agrees to retain the property pending the approval.

### § 101-44.114 Pickup or shipment.

(a) Surplus property requested and set aside for donation will be retained by the holding agency for a maximum period of 42 calendar days from the surplus release date, pending receipt of the approved SF 123 and firm instructions for pickup or shipment of the property. At the end of this period, the holding activity may proceed with the sale or other authorized disposal of the property if the approved SF 123 and pickup or shipping instructions have not been received.

(b) Upon receipt of the approved SF 123 and instructions for pickup or shipment, the holding activity shall promptly notify the transferee or his designated agent of the availability of the property. The transferee or his agent shall remove the property within 15 calendar days from the date of notification of availability by the holding activity.

(c) The transferee is responsible for removing the property or for making arrangements with common carriers for its shipment. Property disposal officers or other representatives of holding
