§ 101-45.313-8 Enforcement.

(a) *Failure or refusal to furnish representation and agreement.* Each selling agency shall take the necessary steps to assure that the indicated successful bidder or proposed contractor has furnished a representation (negative or affirmative) and agreement as prescribed in § 101-45.313-3.

(1) If the indicated successful bidder makes such representation in the negative such representation may be accepted and award made or offer accepted in accordance with established procedure.

(2) If the indicated successful bidder or proposed contractor makes such representation in the affirmative, a completed Standard Form 119 shall be requested from the bidder or proposed contractor. In the case of formal advertising, the making of an award in ac-

cordance with established procedure need not be delayed pending receipt of the form. In the case of negotiation, if the proposed contractor makes such representation in the affirmative, he shall be required to file a completed Standard Form 119 prior to acceptance of the offer or execution of the contract unless the head of the executive agency (including for this purpose, any military department) concerned, or his authorized representative, considers that the interest of the Government will be prejudiced by the suspension of negotiations pending receipt and consideration of an executed Standard Form 119.

(3) If the indicated successful bidder or proposed contractor fails to furnish the representation and agreement, such failure shall be considered a minor informality and, prior to award, such bidder or proposed contractor shall be afforded a further opportunity to furnish such representation and agreement. A refusal or failure to furnish such representation and agreement, after such opportunity has been afforded, shall require rejection of the bid or offer.

(b) *Failure or refusal to furnish Standard Form 119.* If the successful bidder or contractor, upon request, refuses or fails to furnish a completed Standard Form 119, or a statement in lieu thereof as provided in § 101-45.313-6, the selling agency concerned shall take one or more of the following actions, or other action, as may be appropriate:

(1) If an award has not been made or offer accepted, determine whether the bid or offer should be rejected.

(2) If the contract has been awarded or the offer accepted, determine what action shall be taken, such as making an independent investigation or considering the eligibility of the contractor as a future contractor in accordance with established procedure.

(c) *Misrepresentations or violations of the covenant against contingent fees.* In case of misrepresentation, or violation or breach of the covenant against contingent fees, or some other relevant impropriety, the selling agency concerned shall take one or more of the following actions, or other action, as may be appropriate:
