

§ 101-47.503

41 CFR Ch. 101 (7-1-00 Edition)

§ 101-47.503 Abandonment and destruction.

§ 101-47.503-1 General.

(a) No improvements on land or related personal property shall be abandoned or destroyed by a Federal agency unless a duly authorized official of that agency finds, in writing, that donation of such property in accordance with the provisions of this subpart is not feasible. This finding shall be in addition to the finding prescribed in § 101-47.501-4. If at any time prior to actual abandonment or destruction the donation of the property pursuant to this subpart becomes feasible, such donation will be accomplished.

(b) No abandonment or destruction shall be made in a manner which is detrimental or dangerous to public health or safety or which will cause infringement of the rights of other persons.

(c) The concurrence of GSA shall be obtained prior to the abandonment or destruction of improvements on land or related personal property (1) which had an original cost (estimated if not known) of more than \$50,000, or (2) which are of permanent type construction, or (3) where their retention would enhance the value of the underlying land, if it were to be made available for sale or lease.

§ 101-47.503-2 Notice of proposed abandonment or destruction.

Except as provided in § 101-47.503-3, improvements on land or related personal property shall not be abandoned or destroyed by a Federal agency until after public notice of such proposed abandonment or destruction. Such notice shall be given in the area in which the property is located, shall contain a general description of the property to be abandoned or destroyed, and shall include an offering of the property for sale. A copy of such notice shall be given to the regional office of GSA for the region in which the property is located.

§ 101-47.503-3 Abandonment or destruction without notice.

If (a) the property had an original cost (estimated if not known) of not more than \$1,000; or (b) its value is so low or the cost of its care and handling

so great that its retention in order to post public notice is clearly not economical; or (c) immediate abandonment or destruction is required by considerations of health, safety, or security; or (d) the assigned mission of the agency might be jeopardized by the delay, and a finding with respect to paragraph (a), (b), (c), or (d) of this section, is made in writing by a duly authorized official of the Federal agency and approved by a reviewing authority, abandonment or destruction may be made without public notice. Such a finding shall be in addition to the findings prescribed in §§ 101-47.501-4 and 101-47.503-1(a).
