§ 101-6.205-4 Applicability of assurances.

(a) In the case of any application for Federal financial assistance to an institution of higher education, the assurance required by this § 101-6.205 shall extend to admission practices and to all other practices relating to the treatment of students.

(b) The assurance required with respect to an institution of higher education, hospital, or any other institution, insofar as the assurance relates to the institution's practices with respect to admission or other treatment of individuals as students, patients, or clients of the institution or to the opportunity to participate in the provision of services or other benefits to such individuals, shall be applicable to the entire institution unless the applicant establishes, to the satisfaction of the responsible GSA official, that the institution's practices in designated parts or programs of the institution will in no way affect its practices in the program of the institution for which Federal financial assistance is sought, or the beneficiaries of or participants in such program. If in any such case the assistance sought is for the construction of a facility or part of a facility, the assurance shall in any event extend to the entire facility and to facilities operated in connection therewith.

under a program, and, in addition, other real property of the applicant, the assurance required under this § 101-6.205 shall be applicable to the entire installation or facility.

§ 101-6.206 Illustrative applications.

The following examples will illustrate the application of the foregoing provisions of this subpart to certain programs for which Federal financial assistance is extended by GSA (in all cases the discrimination prohibited is discrimination on the ground of race, color, or national origin, prohibited by title VI of the Act and this subpart):

(a) In the programs involving the transfer of surplus property for airport, park or recreation, historic monument, wildlife conservation, or street widening purposes (§ 101-6.217(c), (d), (e), and (h)), the public generally is entitled to the use of the facility and to receive the services provided by the facility and to facilities operated in connection therewith, without segregation or any other discriminatory practices.

(b) In the program involving the loan of machine tools to nonprofit institutions or training schools (§ 101-6.217(o)), discrimination by the recipient in the admission of students or trainees or in the treatment of its students or trainees in any aspect of the educational process is prohibited. In the case of an institution of higher education, the prohibition applies to the entire institution except as provided in paragraph (b) of § 101-6.205-4. In the case of elementary or secondary schools, the prohibition applies to all elementary and secondary schools of the recipient school district, consistent with § 101-6.205-3. In this and other illustrations the prohibition of discrimination in the treatment of students or trainees includes the prohibition of discrimination among the students or trainees in the availability or use of any academic, dormitory, eating, recreational, or other facilities of the recipient.

(c) In the programs involving the donation of personal property to public bodies or the American National Red Cross (§ 101-6.217 (f) and (j)), discrimination in the selection or treatment of individuals to receive or receiving the benefits or services of the program is prohibited.

(d) In the program involving the donation of personal property to eleemosynary institutions (§ 101-6.217(I)), the assurance will apply to applicants for admission, patients, interns, residents, student nurses, and other trainees, and to the privilege of physicians, dentists, and other professionally qualified persons to practice in the institution, and will apply to the entire institution and to facilities operated in connection therewith, subject to the provisions of § 101-6.205-4(b).

(e) In the programs involving the allotment of space by GSA to Federal Credit Unions, without charge for rent or services, and the provision of free space and utilities for vending stands operated by blind persons (§ 101-6.217 (i) and (k)), discrimination by segregation or otherwise in providing benefits or services is prohibited.

(f) In the program involving grants to State and local agencies and to nonprofit organizations and institutions for the collecting, describing, preserving, and compiling and publishing of documentary sources significant to the history of the United States (§ 101-6.217(n)), discrimination by the recipient in the selection of students or other participants in the program, and, with respect to educational institutions, in the admission or treatment of students, is prohibited.

(g) In the program involving the transfer of surplus real property for use in the provision of rental or cooperative housing to families or individuals of low or moderate income (§ 101-6.217(q)), discrimination in the selection and assignment of tenants is prohibited.

(h) A recipient may not take action that is calculated to bring about indirectly what this subpart forbids it to accomplish directly.

(i) In some situations even though past discriminatory practices have been abandoned, the consequences of such practices continue to impede the full availability of a benefit. If the efforts required of the applicant or recipient under § 101-6.209-4 to provide information as to the availability of the program or activity and the rights of beneficiaries under this subpart have failed to overcome these consequences,
