

term delay in construction of the residence).

(c) You are unable to locate a permanent residence which is adequate for your family's needs because of housing conditions at your new official station.

(d) Sudden illness, injury, or death of employee or immediate family member.

§302-5.106 May I interrupt occupancy of temporary quarters?

Yes. Your authorized period for claiming actual TQSE reimbursement is measured in consecutive days, and once begun, normally continues to run whether or not you occupy temporary quarters. You may, however, interrupt your authorized period for claiming actual TQSE reimbursement in the following instances:

(a) For the time allowed for en route travel between the old and new official stations;

(b) For circumstances attributable to official necessity such as an intervening temporary duty assignment or military duty; or

(c) For a non-official necessary interruption such as hospitalization, approved sick leave, or other reason beyond your control and acceptable to your agency.

§302-5.107 What effect do partial days of temporary quarters occupancy have on my authorized period for claiming actual TQSE reimbursement?

Occupancy of temporary quarters for less than a whole day constitutes one full day of your authorized period. (However, see §302-5.110 regarding en route travel.)

§302-5.108 When does my authorized period for claiming actual TQSE reimbursement end?

The period ends at midnight on the earlier of:

(a) The day preceding the day you and/or any member of your immediate family occupies permanent residence quarters.

(b) The day your authorized period for claiming actual TQSE reimbursement expires.

§302-5.109 May the period for which I am authorized to claim actual TQSE reimbursement for myself be different from that of my immediate family?

No, the eligibility period for which you are authorized to claim actual TQSE reimbursement for yourself and for each member of your immediate family must run concurrently.

§302-5.110 What effect do partial days have on my actual TQSE reimbursement?

You may not receive reimbursement under both the actual TQSE allowance and another subsistence expenses allowance within the same calendar day, with one exception: if you claim TQSE reimbursement on the same day that en route travel per diem ends, your en route travel per diem will be computed under applicable partial day rules and you also may be reimbursed for actual TQSE you incur after 6:00 p.m. of that day.

§302-5.111 May I and/or my immediate family occupy temporary quarters longer than the period for which I am authorized to claim actual TQSE reimbursement?

Yes, but you will not be reimbursed for any of the expenses you incur during the unauthorized period.

Subpart C—Fixed Amount Reimbursement

NOTE TO SUBPART C: Use of the pronouns "I" and "you" throughout this subpart refers to the employee.

§302-5.200 What am I paid under the fixed amount reimbursement method?

If your agency offers and you select the fixed amount TQSE reimbursement method, you are paid a fixed amount for up to 30 days. No extensions are allowed under the fixed amount method.

§302-5.201 How do I determine the amount of my payment under the fixed amount reimbursement method?

Multiply the number of days your agency authorizes TQSE by .75 times the maximum per diem rate (i.e., lodging plus meals and incidental expenses)

Relocation Allowances

§ 302-5.304

prescribed in chapter 301 of this subtitle for the locality of the new official duty station. Then, for each member of your immediate family, multiply the same number of days by .25 times the same per diem rate. Your payment will be the sum of these calculations.

§302-5.202 Will I receive additional TQSE reimbursement if my fixed amount is not adequate to cover my TQSE?

No.

Subpart D—Agency Responsibilities

NOTE TO SUBPART D: Use of the pronouns “we” and “you” throughout this subpart refers to the agency.

§302-5.300 How should we administer the TQSE allowance?

Temporary quarters should be used only if, and only for as long as, necessary until the employee and/or his/her immediate family can move into permanent residence quarters. You must administer the TQSE allowance to minimize or avoid other relocation expenses.

§302-5.301 What governing policies must we establish for the TQSE allowance?

You must establish policies and procedures governing:

(a) When you will authorize temporary quarters for employees;

(b) Who will determine if temporary quarters is appropriate in each situation;

(c) If and when you will authorize the fixed amount option for TQSE reimbursement;

(d) Who will determine the appropriate period of time for which TQSE reimbursement will be authorized, including approval of extensions and interruptions of temporary quarters occupancy;

(e) Who will determine whether quarters were indeed temporary, if there is any doubt.

§302-5.302 Under what circumstances may we authorize the TQSE allowance?

You may authorize a TQSE allowance on an individual-case basis when

use of temporary quarters is justified in connection with an employee’s transfer to a new official station. You may not authorize a TQSE allowance for vacation purposes or other reasons unrelated to the transfer.

§302-5.303 What factors should we consider in determining whether the TQSE allowance actually is necessary?

The factors you should consider include:

(a) *The length of time the employee should reasonably be expected to occupy his/her residence at the old official station prior to reporting for duty at the new official station.* An employee and his/her immediate family should continue to occupy the residence at the old official station for as long as practicable to avoid the necessity for temporary quarters.

(b) *The existence of less expensive alternatives.* If a less expensive alternative to the TQSE allowance exists that will enable the employee to find permanent quarters at the new official station, you should consider such an alternative. For example, authorize a househunting trip instead of temporary quarters if it would cost less overall.

(c) *The existence of other opportunities to arrange for permanent quarters.* Consider whether the employee had other adequate opportunity to arrange for permanent quarters. For example, you should not authorize temporary quarters if the employee had adequate opportunity during an extended temporary duty assignment to arrange for permanent quarters.

§302-5.304 What factors should we consider in determining whether to offer an employee the fixed amount TQSE reimbursement option?

The factors you should consider include:

(a) *Ease of administration.* Actual TQSE reimbursement requires an agency to review claims for the validity, accuracy, and reasonableness of each expense amount. Fixed amount TQSE reimbursement does not require review of expense amounts and is therefore easier to administer.

(b) *Cost considerations.* You must weigh the cost of each alternative. Actual TQSE reimbursement may extend
