(2) Each person required by § 60-1.7(a)(1) to submit reports shall file such a report with the contracting or administering agency within 30 days after the award to him of a contract or subcontract, unless such person has submitted such a report within 12 months preceding the date of the award. Subsequent reports shall be submitted annually in accordance with § 60-1.7(a)(1), or at such other intervals as the Deputy Assistant Secretary may require. The Deputy Assistant Secretary may extend the time for filing any report.

(3) The Deputy Assistant Secretary or the applicant, on their own motions, may require a contractor to keep employment or other records and to furnish, in the form requested, within reasonable limits, such information as the Deputy Assistant Secretary or the applicant deems necessary for the administration of the order.

(4) Failure to file timely, complete and accurate reports as required constitutes noncompliance with the prime contractor's or subcontractor's obligations under the equal opportunity clause and is ground for the imposition by the Deputy Assistant Secretary, an applicant, prime contractor or subcontractor, of any sanctions as authorized by the order and the regulations in this part.

(b) *Requirements for bidders or prospective contractors*—(1) *Certification of compliance with Part 60-2: Affirmative Action Programs*. Each agency shall require each bidder or prospective prime contractor and proposed subcontractor, where appropriate, to state in the bid

(2) *Additional information*. A bidder or prospective prime contractor or proposed subcontractor shall be required to submit such information as the Deputy Assistant Secretary requests prior to the award of the contract or subcontract. When a determination has been made to award the contract or subcontract to a specific contractor, such contractor shall be required, prior to award, or after the award, or both, to furnish such other information as the applicant or the Deputy Assistant Secretary requests.

(c) *Use of reports*. Reports filed pursuant to this section shall be used only in connection with the administration of the order, the Civil Rights Act of 1964, or in furtherance of the purposes of the order and said Act.

§ 60-1.8 Segregated facilities.

To comply with its obligations under the Order, a contractor must ensure that facilities provided for employees are provided in such a manner that segregation on the basis of race, color, religion, sex or national origin cannot result. The contractor may neither require such segregated use by written or oral policies nor tolerate such use by employee custom. The contractor's obligation extends further to ensuring that its employees are not assigned to perform their services at any location, under the contractor's control, where the facilities are segregated. This obligation extends to all contracts containing the equal opportunity clause regardless of the amount of the contract. The term "facilities," as used in this section, means waiting rooms,

(a) Whenever compliance with the equal opportunity clause may necessitate a revision of a collective bargaining agreement the labor union or unions which are parties to such an agreement shall be given an adequate opportunity to present their views to the Deputy Assistant Secretary.

(b) The Deputy Assistant Secretary shall use his best efforts, directly and through agencies, contractors, sub-contractors, applicants, State and local officials, public and private agencies, and all other available instrumentalities, to cause any labor union, recruiting and training agency or other representative of workers who are or may be engaged in work under contracts and subcontracts to cooperate with, and to comply in the implementation of, the purposes of the order.

§ 60-1.10 Foreign government practices.

Contractors shall not discriminate on the basis of race, color, religion, sex, or national origin when hiring or making employee assignments for work to be performed in the United States or abroad. Contractors are exempted from this obligation only when hiring persons outside the United States for work to be performed outside the United States (see 41 CFR 60-1.5(a)(3)). Therefore, a contractor hiring workers in the United States for either Federal or nonfederally connected work shall be in violation of Executive Order 11246, as amended, by refusing to employ or assign any person because of race, color, religion, sex, or national origin regardless of the policies of the country where the work is to be performed or for whom the work will be performed. Should any contractor be unable to acquire a visa of entry for any employee or potential employee to a country in which or with which it is doing business, and which refusal it believes is due to the race, color, religion, sex, or national origin of the employee or potential employee, the contractor must immediately notify the Department of State and the Deputy Assistant Secretary of such refusal.
