§ 60-2.15 Compliance status.

No contractor's compliance status shall be judged alone by whether or not it reaches its goals and meets its timetables. Rather, each contractor's compliance posture shall be reviewed and determined by reviewing the contents of its program, the extent of its adherence to this program, and its good faith efforts to make its program work toward the realization of the program's goals within the timetables set for completion. There follows an outline of examples of procedures that contractors and Federal agencies should use as a guideline for establishing, implementing, and judging an acceptable affirmative action program.
