programs as well as the good faith effort required to transform the programs from paper commitments to equal employment opportunity. Subparts B and C of this part are concerned with affirmative action plans only.

(b) Relief, including back pay where appropriate, for members of an affected class who by virtue of past discrimination continue to suffer the present effects of that discrimination, shall be provided in the conciliation agreement entered into pursuant to § 60-60.6 of this title. An "affected class" problem must be remedied in order for a contractor to be considered in compliance. Section 60-2.2 herein pertaining to an acceptable affirmative action program is also applicable to the failure to remedy discrimination against members of an "affected class."

§ 60-2.2 Agency action.

(a) Any contractor required by § 60-1.40 of this chapter to develop an affirmative action program at each of its establishments who has not complied fully with that section is not in compliance with Executive Order 11246, as amended (30 FR 12319). Until such programs are developed and found to be acceptable in accordance with the standards and guidelines set forth in §§ 60-2.10 through 60-2.32, the contractor is unable to comply with the equal employment opportunity clause. An affirmative action plan shall be deemed to have been accepted by the Government at the time the appropriate OFCCP field, area, regional, or national office has accepted such plan unless within 45 days thereafter the Director has disapproved such plan.

(b) If, in determining such contractor's responsibility for an award of a contract it comes to the contracting officer's attention, through sources within his agency or through the Office of Federal Contract Compliance Programs or other Government agencies, that the contractor has no affirmative action program at each of its establishments, or has substantially deviated from such an approved affirmative action program, or has failed to develop or implement an affirmative action program which complies with the regulations in this chapter, the contracting

officer shall declare the contractor/bidder nonresponsible and so notify the contractor and the Director, unless he can otherwise affirmatively determine that the contractor is able to comply with his equal employment obligations. Any contractor/bidder which has been declared nonresponsible in accordance with the provisions of this section may request the Director to determine that the responsibility of the contractor/bidder raises substantial issues of law or fact to the extent that a hearing is required. Such request shall set forth the basis upon which the contractor/bidder seeks such a determination. If the Director, in his/her sole discretion, determines that substantial issues of law or fact exist, an administrative or judicial proceeding may be commenced in accordance with the regulations contained in § 60-1.26; or the Director may require the investigation or compliance review be developed further or additional conciliation be conducted: *Provided*, That during any pre-award conferences, every effort shall be made through the processes of conciliation, mediation, and persuasion to develop an acceptable affirmative action program meeting the standards and guidelines set forth in §§ 60-2.10 through 60-2.32 so that, in the performance of his contract, the contractor is able to meet its equal employment obligations in accordance with the equal opportunity clause and applicable rules, regulations, and orders: *Provided further*, That a contractor/bidder may not be declared nonresponsible more than twice due to past noncompliance with the equal opportunity clause at a particular establishment or facility without receiving prior notice and an opportunity for a hearing.

(c)(1) Immediately upon finding that a contractor has no affirmative action program, or has deviated substantially from an approved affirmative action program, or has failed to develop or implement an affirmative action program which complies with the requirements of the regulations in this chapter, that fact shall be recorded in the investigation file. Whenever administrative enforcement is contemplated, the notice to the contractor shall be issued giving him 30 days to show cause why enforcement proceedings under section 209(a)

of Executive Order 11246, as amended, should not be instituted. The notice to show cause should contain:

(i) An itemization of the sections of the Executive order and of the regulations with which the contractor has been found in apparent violation, and a summary of the conditions, practices, facts, or circumstances which give rise to each apparent violation;

(ii) The corrective actions necessary to achieve compliance or, as may be appropriate, the concepts and principles of an acceptable remedy and/or the corrective action results anticipated;

(iii) A request for a written response to the findings, including commitments to corrective action or the presentation of opposing facts and evidence; and

(iv) A suggested date for the conciliation conference.

(2) If the contractor fails to show good cause for his failure or fails to remedy that failure by developing and implementing an acceptable affirmative action program within 30 days, the case file shall be processed for enforcement proceedings pursuant to § 60-1.26 of this chapter. If an administrative complaint is filed, the contractor shall have 20 days to request a hearing. If a request for hearing has not been received within 20 days from the filing of the administrative complaint, the matter shall proceed in accordance with Part 60-30 of this chapter.

(3) During the "show cause" period of 30 days, every effort will be made through conciliation, mediation, and persuasion to resolve the deficiencies which led to the determination of non-responsibility. If satisfactory adjustments designed to bring the contractor into compliance are not concluded, the case shall be processed for enforcement proceedings pursuant to § 60-1.26 of this chapter.

(d) During the "show cause" period and formal proceedings, each contracting agency must continue to determine the contractor's responsibility in considering whether or not to award a new or additional contract.

Subpart B—Required Contents of Affirmative Action Programs

§ 60-2.10 Purpose of affirmative action program.

An affirmative action program is a set of specific and result-oriented procedures to which a contractor commits itself to apply every good faith effort. The objective of those procedures plus such efforts is equal employment opportunity. Procedures without effort to make them work are meaningless; and effort, undirected by specific and meaningful procedures, is inadequate. An acceptable affirmative action program must include an analysis of areas within which the contractor is deficient in the utilization of minority groups and women, and further, goals and timetables to which the contractor's good faith efforts must be directed to correct the deficiencies and, thus to achieve prompt and full utilization of minorities and women, at all levels and in all segments of its work force where deficiencies exist.

§ 60-2.11 Required utilization analysis.

Based upon the Government's experience with compliance reviews under the Executive order program and the contractor reporting system, minority groups are most likely to be underutilized in departments and jobs within departments that fall within the following Employer's Information Report (EEO-1) designations: Officials and managers, professionals, technicians, sales workers, office and clerical and craftsmen (skilled). As categorized by the EEO-1 designations, women are likely to be underutilized in departments and jobs within departments as follows: Officials and managers, professionals, technicians, sales workers (except over-the-counter sales in certain retail establishments), craftsmen (skilled and semi-skilled). Therefore, the contractor shall direct special attention to such jobs in its analysis and goal setting for minorities and women. Affirmative action programs must contain the following information:
