

§ 407.30

at the end of the month after the month in which the individual files the disenrollment request.

(d) *Nonpayment of premiums.* If an individual fails to pay the premiums, entitlement will end as provided in the rules for SMI premiums, set forth in part 408 of this chapter.

§ 407.30 Limitations on enrollment.

(a) *Initial enrollment periods—(1) Individual under age 65.* An individual who has not attained age 65 may have one or more periods of entitlement to hospital insurance, based on disability. Since each period of disability entitlement entitles the individual to hospital insurance and since entitlement to hospital insurance makes the individual eligible for SMI enrollment, an individual may have an SMI initial enrollment period for each continuous period of entitlement to hospital insurance.

(2) *Individuals who have attained age 65.* An individual who has attained age 65 may not have more than one initial enrollment period on the basis of age. However, if the individual develops ESRD after age 65, he or she may have another initial enrollment period based on meeting the requirements of § 406.13 of this chapter.

(b) *Number of enrollments.* There is no limitation on the number of enrollments.

(c) *Coverage under buy-in agreements.* For purposes of paragraph (a) of this section, the continued enrollment of an individual following the end of coverage under a State buy-in agreement is considered an initial enrollment.

§ 407.32 Prejudice to enrollment rights because of Federal Government misrepresentation, inaction, or error.

If an individual's enrollment or non-enrollment in SMI is unintentional, inadvertent, or erroneous because of the error, misrepresentation, on inaction of a Federal employee or any person authorized by the Federal Government to act in its behalf, the Social Security Administration or HCFA may take whatever action it determines is necessary to provide appropriate relief. The action may include:

(a) Designation of a special initial or general enrollment period;

42 CFR Ch. IV (10-1-00 Edition)

(b) Designation of an entitlement period based on that enrollment period;

(c) Adjustment of premiums;

(d) Any combination of actions under paragraphs (a) through (c) of this section; or

(e) Any other remedial action that may be necessary to correct or eliminate the effects of the error, misrepresentation, or inaction.

Subpart C—State Buy-In Agreements

§ 407.40 Enrollment under a State buy-in agreement.

(a) *Statutory basis.* (1) Section 1843 of the Act, as amended through 1969, permitted a State to enter into an agreement with the Secretary to enroll in the SMI program certain individuals who are eligible for SMI and who are members of the buy-in group specified in the agreement. A buy-in group could include certain individuals receiving Federally-aided State cash assistance (with the option of excluding individuals also entitled to social security benefits or railroad retirement benefits) or could include all individuals eligible for Medicaid. Before 1981, December 31, 1969 was the last day on which a State could request a buy-in agreement or a modification to include a coverage group broader than the one originally selected.

(2) Section 945(e) of the Omnibus Reconciliation Act of 1980 (Pub. L. 96-499) further amended section 1843 to provide that, during calendar year 1981, a State could request a buy-in agreement if it did not already have one, or request a broader coverage group for an existing agreement.

(3) Several laws enacted during 1980-1987 had the effect of requiring that the buy-in groups available under section 1843 of the Act be expanded to include certain individuals who lose eligibility for cash assistance payments but are treated as if they were cash assistance recipients for Medicaid eligibility purposes.

(4) Section 301(e)(1) of the Medicare Catastrophic Coverage Act of 1988 (Pub. L. 100-360) amends section 1843 of the Act to restore the 1981 provisions on a permanent basis, effective "after 1988."

(5) The same section 301, as amended by section 608(d)(14)(H) of the Family Support Act of 1988 (Pub. L. 100-485), further amended section 1843 of the Act, beginning January 1, 1989, to establish a new buy-in category consisting of Qualified Medicare Beneficiaries and to provide that a State may request a buy-in agreement if it does not already have one, or request a broader buy-in group for the existing agreement.

(b) *Definitions.* As used in this section, unless the context indicates otherwise—

(c) *Basic rules.*

(1) A State that has a buy-in agreement in effect must enroll any individual who is eligible to enroll in SMI under § 407.10.

(2) Any State that does not have a buy-in agreement in effect may request buy-in for any one of the groups specified in §§ 407.42 and 407.43.

(3) Any State that does have an agreement may request a modification to cover a broader buy-in group or cancel its current agreement and request a new agreement to cover a narrower group.
