§ 52a.1 To which programs do these regulations apply?

(a) The regulations of this part apply to grants by the National Institutes of Health and its organizational components to support the planning, establishment, strengthening or expansion, and operation of research and demonstration and/or multipurpose centers in the health fields described in this paragraph. Specifically, these regulations apply to national cancer research and demonstration centers (including payments for construction, but not including the acquisition of land), as authorized by section 414 of the Act; national cancer research and demonstration centers with respect to breast cancer, as authorized by section 417 of the Act; national cancer research and demonstration centers with respect to prostate cancer, as authorized by section 417A of the Act; national research and demonstration centers for heart, blood vessel, lung, and blood diseases, sickle cell anemia, blood resources and pediatric cardiovascular diseases (including payments for construction, but not including the acquisition of land), as authorized by section 422 of the Act; research and training centers in diabetes mellitus and related endocrine and metabolic diseases (including digestive, kidney, and urologic diseases), and research and training centers regarding nutritional disorders, including obesity, as authorized by section 431 of the Act; multipurpose arthritis and musculoskeletal diseases centers (including payments for alteration, remodeling, improvement, expansion, and repair of existing buildings, and the provision of equipment necessary to make them suitable for use as a center, but not construction), as authorized by Section 441 of the Act; Alzheimer's disease centers, as authorized by section 445 of the Act; Claude D. Pepper Older Americans Independence Centers, as authorized by section 445A of the Act; research centers regarding chronic fatigue syndrome, as authorized by section 447 of
