

programs, continuing education programs, and information programs with respect to methods of contraception and infertility;

(11) For purposes of grants authorized by section 452C of the Act, an agency or institution which conducts research with respect to child health, and gives priority to the expeditious transfer of advances from basic science to clinical applications and improving the care of infants and children;

(12) For purposes of grants authorized by section 464C of the Act, a single institution or a consortium of cooperating institutions which conducts basic and clinical research into, training in, information and continuing education programs for health professionals and the general public about, and demonstration of, advanced diagnostic, prevention, and treatment methods for disorders of hearing and other communication processes and complications resulting from these disorders;

(13) For purposes of grants authorized by section 464J of the Act, an entity engaged in long-term interdisciplinary research relating to alcoholism and other alcohol problems;

(14) For purposes of grants authorized by section 464N of the Act, an entity for interdisciplinary research relating to drug abuse and other biomedical, behavioral, and social issues related to drug abuse; or

(15) For purposes of grants authorized by section 2316 of the Act, an entity for basic and clinical research into, and training in, advanced diagnostic, prevention, and treatment methods for acquired immunodeficiency syndrome.

(16) As provided in the section of the Act authorizing the particular program or on the determination of the Director, a center may include the facilities of a single institution or a consortium of cooperating institutions and, if practical, may be part of an equitable geographical distribution of centers with proven research capabilities.

*Director* means the Director of NIH or the organizational component authorized to award grants to support centers under this part.

*Grant(s)* means, unless the context otherwise requires, an award of funds to support a center authorized under

§ 52a.1. The term includes cooperative agreement(s).

*NIH* means the National Institutes of Health and its organizational components that award grants.

*Nonprofit* as applied to any agency or institution means an agency or institution which is a corporation or an association, no part of the net earnings of which inures or may lawfully inure to the benefit of any private shareholder or individual.

*Project period* means the period of time, from one to five years, specified in the notice of grant award that the NIH or the awarding component intends to support a proposed center without requiring the center to recompute for funds.
