§ 57.705 Project requirements.

A project supported under this subpart must be conducted in accordance with the following requirements:

(a) The project must conduct its program for the training of physician assistants in accordance with the requirements in 42 CFR 57.803.

(b) The program must (1) be accredited as an Educational Program for the Physician Assistant by the American Medical Association's Committee on Allied Health Education and Accreditation, or (2) have received a Letter of Review from the Accreditation Review Committee on Education for the Physician Assistant.

(c) The program must be operational no later than 12 months after the award of a grant under this subpart.

(d) The project must be conducted under the direction of the project director who must be employed full-time at the grantee institution(s). If the project director becomes unable to function in this capacity, the Secretary must be notified as soon as possible.

(e) The project must evaluate the supervised clinical practice conducted by the program with respect to:

(1) The variety of patient contact and care experiences afforded to participating students;

(2) The adequacy and quality of supervision provided to participating students; and

(3) The adequacy of the physical setting or settings in which the supervised clinical practice takes place.

(f)(1) The project must provide on an annual basis, upon request and in a format acceptable to the Secretary, information in the aggregate regarding student characteristics, student attrition rate and student performance.

42 CFR Ch. I (10-1-00 Edition)

(2) The project must provide on an annual basis, upon request and in a format acceptable to the Secretary, information in the aggregate regarding the employment of its graduates including place of employment.

§ 57.706 Evaluation of applications.

(a) As required by section 798(a) of the Act, each application for a grant under this subpart shall be submitted to a peer review group, composed principally of non-Federal experts, for an evaluation of the merits of the proposals made in the application. The Secretary may not approve such an application unless a peer review group has recommended the application for approval. The Secretary will approve or disapprove all applications filed in accordance with § 57.704, taking into consideration:

(1) The degree to which the project plan adequately provides for meeting the requirements set forth in § 57.705 and 42 CFR 57.803;

(2) The potential effectiveness of the project in carrying out the purposes of section 750 of the Act and this subpart;

(3) The capability of the applicant to carry out the proposed project;

(4) The local, regional, and national needs the project proposes to serve;

(5) The adequacy of the project's plan for placing graduates in health professional shortage areas;

(6) The soundness of the fiscal plan for assuring effective use of grant funds;

(7) The potential of the project to continue on a self-sustaining basis after the period of grant support; and

(8) The adequacy of the project's plan to develop and use methods designed to attract and maintain minority and disadvantaged students to train as physician assistants.

(b) In determining the funding of applications approved under paragraph (a) of this section, the Secretary will consider any special factors relating to national needs as the Secretary may
