**§ 60.58 Federal access to school records.**

For the purposes of audit and examination, a HEAL school must provide the Secretary of Health and Human Services, the Comptroller General of the United States, and any of their authorized representatives access to the records that the school is required to keep and to any documents and records pertinent to the administration of the HEAL Program.

**§ 60.59 Records and Federal access after a school is no longer a HEAL school.**

In the event a school ceases to participate in the HEAL program, the school (or its successor, in the case of a school which undergoes a change in ownership) must retain all required HEAL records and provide the Secretary of Health and Human Services, the Comptroller General of the United States, and any of their authorized representatives access to them.

**§ 60.60 Limitation, suspension, or termination of the eligibility of a HEAL school.**

(a) The Secretary may limit, suspend, or terminate the eligibility under the HEAL program of an otherwise eligible school that violates or fails to comply with any provision of title VII, part A, subpart I of the Act as amended (42 U.S.C. 292-292p), these regulations, or agreements with the Secretary concerning the HEAL program. Prior to

terminating a school's participation in the program, the Secretary will provide the school an opportunity for a hearing in accordance with the procedures under paragraph (b) of this section.

(b) The Secretary will provide any school subject to termination with a written notice, sent by certified mail, specifying his or her intention to terminate the school's participation in the program and stating that the school may request, within 30 days of the receipt of this notice, a formal hearing. If the school requests a hearing, it must, within 90 days of the receipt of the notice, submit material, factual issues in dispute to demonstrate that there is cause for a hearing. These issues must be both substantive and relevant. The hearing will be held in the Washington, DC metropolitan area. The Secretary will deny a hearing if:

(1) The request for a hearing is untimely (i.e., fails to meet the 30-day requirement);

(2) The school does not provide a statement of material, factual issues in dispute within the 90-day required period; or

(3) The statement of factual issues in dispute is frivolous or inconsequential.

In the event that the Secretary denies a hearing, the Secretary will send a written denial, by certified mail, to the school setting forth the reasons for denial. If a hearing is denied, or if as a result of the hearing, termination is still determined to be necessary, the school will be terminated from participation in the program. A school will be permitted to reapply for participation in the program when it demonstrates, and the Secretary agrees, that it is in compliance with all HEAL requirements.

(c) This section does not apply to a determination that a HEAL school fails to meet the statutory definition of an "eligible school."

(d) This section does not apply to administrative action by the Department of Health and Human Services based on any alleged violation of The Family Educational Rights and Privacy Act of

### § 60.61 Responsibilities of a HEAL school.

(a) A HEAL school is required to carry out the following activities for each HEAL applicant or borrower:

(1) Conduct and document an entrance interview with each student (individually or in groups) no later than prior to the loan recipient's first HEAL disbursement in each academic year that the loan recipient obtains a HEAL loan. The school must inform the loan recipient during the entrance interview of his or her rights and responsibilities under a HEAL loan, including the consequences for noncompliance with those responsibilities, and must gather personal information which would assist in locating the loan recipient should he or she depart from the school without receiving an exit interview. A school may meet this requirement through correspondence where the school determines that a face-to-face meeting is impracticable.

(2) Conduct and document an exit interview with each HEAL loan recipient (individually or in groups) within the final academic term of the loan recipient's enrollment prior to his or her anticipated graduation date or other departure date from the school. The school must inform the loan recipient in the exit interview of his or her rights and responsibilities under each HEAL loan, including the consequences for noncompliance with those responsibilities. The school must also collect personal information from the loan recipient which would assist the school or the lender or holder in skiptracing activities and to direct the loan recipient to contact the lender or holder concerning specific repayment terms and options. A copy of the documentation of the exit interview, including the personal information collected for skiptracing activities, and any other information required by the Secretary regarding the exit interview must be sent to the lender or holder of each

HEAL loan within 30 days of the exit interview. If the loan recipient departs from the school prior to the anticipated date or does not receive an exit interview, the exit interview information must be mailed to the loan recipient by the school within 30 days of the school's knowledge of the departure or the anticipated departure date, whichever is earlier. The school must request that the loan recipient forward any required information (e.g., skiptracing information, request for deferment, etc.) to the lender or holder. The school must notify the lender or holder of the loan recipient's departure at the same time it mails the exit interview material to the loan recipient.

(3) Verify the accuracy and completeness of information provided by each student on the HEAL loan application, particularly in regard to the HEAL eligibility requirements, by comparing the information with previous loan applications or other records or information provided by the student to the school. Notify the potential lender of any discrepancies which were not resolved between the school and the student.

(4) Develop and implement procedures relating to check receipt and release which keep these functions separate from the application preparation and approval process and assure that the amount of the HEAL loan check(s) does(do) not exceed the approved total amount of the loan and the statutory maximums. Checks must not be cashed without the borrower's personal endorsement. Documentation of these procedures and their usage shall be maintained by the school.

(5) Maintain accurate and complete records on each HEAL borrower and related school activities required by the HEAL program. All HEAL records shall be properly safeguarded and protected from environmental threats and unauthorized intrusion for use and theft.

(6) Maintain documentation of the criteria used to develop the school's standard student budgets in the school's general records, readily available for audit purposes, and maintain in each HEAL borrower's record a copy of the standard budget which was actually used in the determination of the
