(2) The name and qualifications of the project director and any key personnel responsible for the proposed project.

(3) A description of the facilities, staff, support services, and other organizational resources available to carry out the project.

(4) The intended number of trainees and the minimum qualifications and criteria for their selection.

(5) A description of the plan for evaluating the proposed project.

(6) Other pertinent information the Secretary may require to evaluate the proposed project.

(b) *Required information on costs.* (1) A budget for the proposed project and a justification of the amount of grant funds requested.

(2) If institutional expenses are requested, a separate statement of the amounts requested for personal services, equipment, supplies, or other non-personal services.

(3) If stipend costs are requested, a statement for each grant year of the estimated number of individuals to whom stipends will be provided and the length of time for which the stipend support will be provided. If other trainee costs are requested, they must be separately stated and justified.

(Approved by the Office of Management and Budget under control number 0925–0276)

§ 64.5 How are grant applications evaluated?

The Secretary shall evaluate applications through the officers and employees, experts, consultants, or groups engaged by the Secretary for that purpose. The Secretary’s evaluation will be for technical merit and shall take into account, among other pertinent factors, the significance of the project, the qualifications and competency of the project director and proposed staff, the adequacy of selection criteria for trainees for the project, the adequacy of the applicant’s resources available for the project, and the amount of
