Subpart A—Direct Awards

§ 66.101 Applicability.

The regulations in this subpart apply to National Research Service Awards made by the Secretary to individuals for research, and training to undertake research, under section 472(a)(1)(A) of the Public Health Service Act, as amended [42 U.S.C. 289I-1(a)(1)(A)].

§ 66.102 Definitions.

As used in this subpart:

(a) *Act* means the Public Health Service Act, as amended.

(b) *Secretary* means the Secretary of Health and Human Services and any other officer or employee of the Department of Health and Human Services to whom the authority involved has been delegated.

(c) *Nonprofit* institution means a corporation or association in which no part of the net earnings inures or may lawfully inure to the benefit of any private shareholder or individual.

(d) *Award* means a National Research Service Award under section 472 of the Act (42 U.S.C. 289I-1).

§ 66.103

42 CFR Ch. I (10–1–00 Edition)

(e) *Residency* means post-graduate training for doctors of medicine, osteopathy, dentistry, optometry, and podiatry, nurses, and other individuals providing health care directly to patients, in which the majority of the time is spent in non-research clinical training.

(f) *Noncitizen national of the United States* means a person who, though not a citizen of the United States, owes permanent allegiance to the United States [8 U.S.C. 1101(a) (22)].

(g) *Predoctoral training* means training at the post-baccalaureate level in a program leading to the award of a doctor of philosophy or science, or equivalent degree. For purposes of Awards under the Minority Access to Research Careers programs of the National Institute of General Medical Sciences and the Alcohol, Drug Abuse, and Mental Health Administration, *predoctoral training* also means training in a program leading to the award of a baccalaureate degree in science or equivalent degree.

(h) *Postdoctoral training* means training of individuals holding a doctor of philosophy, science, medicine, dentistry, osteopathy, optometry, podiatry, veterinary medicine, engineering, nursing sciences, public health, or equivalent degree.

§ 66.103 Eligibility.

To be eligible for a National Research Service Award an individual must:

(a) Be a citizen, noncitizen national of the United States, or lawfully admitted to the United States for permanent residence at the time of application; and

(b) Propose to engage on a full-time basis in research, or training to undertake research, in a program specified in section 472(a)(1)(A) of the Act.

§ 66.104 Application.

(a) Eligible individuals may apply for an Award using the form and by the dates the Secretary prescribes.

(b) In addition to any other pertinent information that the Secretary may require, each application shall detail:

(1) The applicant's educational background and other qualifications and ex-

perience, including previous academic and professional degrees;

(2) The subject area of the proposed research or training;

(3) The proposed period of Award;

(4) If the proposed period of Award would provide the individual with aggregate support in excess of five years at the predoctoral level or three years at the postdoctoral level, the justification for this request; and

(5) The availability of necessary resources facilities at the institution where the research or training would be conducted.

(Approved by the Office of Management and Budget under control number 0925-0002)

§ 66.105 Requirements.

The Secretary shall make an Award to an individual under this subpart only if:

(a) For any Award made for a period in excess of twelve months, other than an Award made for research training at the prebaccalaureate level, the individual has submitted to the Secretary a written assurance (in the manner the Secretary may prescribe) that he or she will satisfy the requirements of § 66.110;

(b) If the proposed research or training would take place at an institution other than one operated by the Public Health Service agencies listed in section 472(a)(1)(A) of the Act, the institution has submitted a written assurance (in the manner the Secretary may prescribe). The assurance shall indicate that:

(1) The applicant has been accepted to the institution for the purpose of engaging in the research or training for which an Award is being sought;

(2) The Award will not be used to support a residency; and

(3) In the event an Award is made the institution will make available to the applicant any resources and facilities described in the application as necessary to carry out the research or training; and

(c) The individual has submitted a written assurance (in the manner the Secretary may prescribe) that the Award to individuals will not be used to support a residency.

(Approved by the Office of Management and Budget under control number 0925-0002)
