

grazing permits or leases. Additional members will include 1 person representing the public-at-large, 1 person representing a nationally or regionally recognized environmental organization, and 1 person representing national, regional, or local wildlife or recreation interests. Persons selected by the council to represent the public-at-large, environmental, and wildlife or recreation interests may not hold Federal grazing permits or leases. At least 1 member must be selected from the membership of the resource advisory council.

(B) The resource advisory council will be required to select rangeland resource team members from nominees who qualify by virtue of their knowledge or experience of the lands, resources, and communities that fall within the area for which the team is formed. All nominations must be accompanied by letters of recommendation from the groups or interests to be represented.

(C) All members of rangeland resource teams will attend a course of instruction in the management of rangeland ecosystems that has been approved by the BLM State Director. Rangeland resource teams will have opportunities to raise any matter of concern with the resource advisory council and to request that BLM form a technical review team, as described below, to provide information and options to the council for their consideration.

(D) Technical review teams can be formed by the BLM authorized officer on the motion of BLM or in response to a request by the resource advisory council or a rangeland resource team. The purpose of such teams is to gather and analyze data and develop recommendations to aid the decision-making process, and functions will be limited to tasks assigned by the authorized officer. Membership will be limited to Federal employees and paid consultants. Members will be selected based upon their knowledge of resource management or their familiarity with the specific issues for which the technical review team has been formed. Technical review teams will terminate upon completion of the assigned task.

(2) *Model B*

(i) *Council jurisdiction.* The jurisdiction of the council shall be Statewide, or on an ecoregion basis. The purpose of the council is to promote federal, state, and local cooperation in the management of natural resources on public lands, and to coordinate the development of sound resource management plans and activities with other states. It will provide an opportunity for meaningful public participation in land management decisions at the state level and will foster conflict resolution through open dialogue and collaboration.

(ii) *Membership.* The council shall have 15 members, distributed equally among the 3 interest groups specified in § 1784.6-1(c), and will include at least one representative from wildlife interest groups, grazing interests, minerals and energy interests, and established environmental/conservation interests. The Governor shall chair the council.

(iii) *Quorum and voting requirements.* The charter of the council shall specify that 80% or 12 members must be present to constitute a quorum and conduct official business, and that 80% or 12 members of the council must vote affirmatively to refer an issue to BLM Federal officer.

(iv) *Subgroups.* Local rangeland resource teams may be formed by the Statewide council, down to the level of a 4th order watershed. Rangeland resource teams will be formed for the purpose of providing local level input to the resource advisory council. They will meet at least quarterly and will promote a decentralized administrative approach, encourage good stewardship, emphasize coordination and cooperation among agencies, permittees and the interested public, develop proposed solutions and management plans for local resources on public lands, promote renewable rangeland resource values, develop proposed standards to address sustainable resource uses and rangeland health, address renewable rangeland resource values, propose and participate in the development of area-specific National Environmental Policy Act documents, and develop range and wildlife education and training programs. As with the resource advisory council, an 80% affirmative vote
