

## Bureau of Land Management, Interior

Pt. 1810

will be required to send a recommendation to the resource advisory council.

(A) Rangeland resource teams will not exceed 10 members and will include at least 2 persons from environmental or wildlife groups, 2 grazing permittees, 1 elected official, 1 game and fish district representative, 2 members of the public or other interest groups, and a Federal officer from BLM. Members will be appointed for 2 year terms by the resource advisory council and may be reappointed. No member may serve on more than 1 rangeland resource team.

(B) Technical review teams can be formed by the BLM authorized officer on the motion of BLM or in response to a request by the resource advisory council or a rangeland resource team. The purpose of such teams is to gather and analyze data and develop recommendations to aid the decision-making process, and functions will be limited to tasks assigned by the authorized officer. Membership will be limited to Federal employees and paid consultants. Members will be selected based upon their knowledge of resource management or their familiarity with the specific issues for which the technical review team has been formed. Technical review teams will terminate upon completion of the assigned task.

### (3) Model C

(i) *Council jurisdiction.* The jurisdiction of the council shall be on the basis of ecoregion, State, or BLM district boundaries.

(ii) *Membership.* Membership of the council shall be 10 to 15 members, distributed in a balanced fashion among the 3 interest groups defined in §1784.6-1(c).

(iii) *Quorum and voting requirements.* The charter of each council shall specify that a majority of each interest group must be present to constitute a quorum and conduct official business, and that a majority of each interest group must vote affirmatively to refer an issue to BLM Federal officer.

(iv) *Subgroups.* Resource advisory councils may form more local teams to provide general local level input to the resource advisory council on issues necessary to the successful functioning of the council. Such subgroups can be

formed in response to a petition from local citizens or on the motion of the resource advisory council. Membership in any subgroup formed for the purpose of providing general input to the resource advisory council on grazing administration should be constituted in accordance with provisions for membership in §1784.6-1(c).
