

Bureau of Land Management, Interior

§ 3420.2

§ 3420.1-4 General requirements for land use planning.

(a) The Secretary may not hold a lease sale under this part unless the lands containing the coal deposits have been included in a comprehensive land use plan or land use analysis and unless the sale is compatible with, and subject to, any relevant stipulations, guidelines and standards set out in that plan or analysis.

§ 3420.1-5 Hearing requirements.

After public notice, the Bureau of Land Management or other surface management agency shall conduct a public hearing on the proposed comprehensive land use plan or land use analysis if it involves the potential for coal leasing before it is adopted if such a hearing is requested by any person who is or may be adversely affected by the adoption of the plan. A hearing conducted under part 1600 of this title of this chapter shall fulfill this requirement.

§ 3420.1-7 Consultation with states and Indian tribes.

Before adopting a comprehensive land use plan or land use analysis that makes an assessment of lands acceptable for further consideration for leasing, the Bureau of Land Management

or other surface management agency shall consult with the state Governor and the state agency charged with the responsibility for maintaining the state's unsuitability program (43 CFR 3461.4-1). Where a tribal government administers areas within or near the boundaries of a comprehensive land use plan or land use analysis being prepared by the Bureau of Land Management, the Bureau shall consult with the tribal government.

§ 3420.1-8 Identification of lands as acceptable for further consideration.

(a) Identification of lands as acceptable for further consideration for leasing will be made in the adoption of a comprehensive land use plan or land use analysis. Any lands identified as acceptable may be further considered for leasing under § 3420.3 of this title.

(b) Activity planning shall begin with a regional coal team meeting to review market analyses and land-use planning summaries. The market analyses and land-use planning summaries shall be available at least 45 days prior to such meeting.

§ 3420.2 Regional leasing levels.

This section sets out the process to be followed in establishing regional leasing levels. Regional leasing levels shall be established by the Secretary. The Secretary shall particularly rely upon the advice and assistance of affected State Governors in ensuring that leasing levels have properly considered social, environmental and economic impacts and constraints.

(a) The regional coal teams shall be the forum through which initial leasing level recommendations are transmitted to the Secretary. Initial leasing level recommendations shall be developed as follows:

(1) The appropriate Bureau of Land Management State Director on the regional coal team, as designated by the regional coal team chairperson, shall prepare a broadly stated range of initial leasing levels for the region. This range of initial leasing levels must be
