Subpart 3600—General

§ 3600.0-1 Purpose.

The regulations in this part establish procedures for the exploration, development and disposal of mineral material resources as well as the protection of the environment of the public lands under permit or contract for sale or free use.

§ 3600.0-3 Authority.

(a) The Act of July 31, 1947, as amended (30 U.S.C. 601 *et seq.*) provides:

(1) Authority for the disposal of mineral materials including, but not limited to, petrified wood and common varieties of sand, stone, gravel, pumice, pumicite, cinders and clay, in the public lands of the United States, and from lands on which the mineral rights have been reserved to the United States, if the disposal of these materials (i) is not otherwise expressly authorized by law, including, but not limited to the Act of June 28, 1934, as amended (43 U.S.C. 315 *et seq.*) and the United States mining laws, (ii) is not expressly prohibited by the laws of the United States, and (iii) would not be detrimental to the public interest.

(2) That where the lands have been withdrawn in aid of a function of a Federal department or agency other than the Department of the Interior, or of a State, or other local governmental subdivision or agency, the Secretary of the Interior may make disposals under the regulations in this part only with the consent of such Federal department or agency or of such State or local governmental unit;

(3) That disposal of mineral materials under the Materials Act may not
