(d) Except in the case of an emergency withdrawal, if the preceding application requirements have not been met, or if an application seeks an action that is not within the scope of the Secretary's authority, the application may be rejected by the authorized officer as a defective application.

### § 2310.1-3 Submission of withdrawal petitions.

(a) Withdrawal petitions shall be submitted to the Director, Bureau of Land Management, for transmittal to the Secretary.

(b) No specific form is required, but the petition shall contain at least the following information:

(3) A legal description of the entire land area that falls within the exterior boundaries affected by the petition, together with the total acreage of such lands, and a map of the area;

(4) The extent to which and the time during which any public lands that may be involved in the petition would be temporarily segregated and the temporary land uses that may be permitted during the segregation period, in accordance with § 2310.2 of this title; and
