

## Bureau of Land Management, Interior

## § 2627.3

authorized officer of the Bureau of Land Management in accordance with paragraph (d) of this section.

(3) Patents will be issued for all selections approved under the act by the authorized officer of the Bureau of Land Management but such patents will not issue unless or until the exterior boundaries of the selected area are officially surveyed.

(4) (i) Where the State selects all the lands in a mineral lease, permit, license, or contract, issued under the Mineral Leasing Acts of 1914 and 1920, the patent issued under the act will convey to the State all mineral deposits in the selected lands. Any such patent shall vest in the State all right, title, and interest of the United States in and to any such lease, permit, license, or contract that remains outstanding on the effective date of the patent, including the right to all rentals, royalties, and other payments accruing after that date under such lease, permit, license, or contract, and including any authority that may have been retained by the United States to modify the terms and conditions of such lease, permit, license, or contract. Issuance of patent will not affect the continued validity of any such lease, permit, license, or contract or any rights arising thereunder.

(ii) Where the State selects a portion of the lands subject to a mineral lease, permit, license, or contract issued under the Mineral Leasing Acts of 1914 and 1920, the patent issued under the act shall reserve to the United States the mineral or minerals subject to that lease, permit, license, or contract, together with such further rights as may be necessary to the full and complete enjoyment of all rights, privileges, and benefits under or with respect to that lease, permit, license, or contracts. Upon the termination of the lease, permit, license, or contract, title to minerals so reserved to the United States shall pass to the State.

(c) *Applications for selection.* (1) Applications for selection of lands under the act will be made by the proper selecting agent of the State and will be filed, in duplicate, in the proper office of the district in which such selected lands are situated. No special form is required but it must be typewritten and

must contain the following information:

(i) A reference to the Act of July 7, 1958 (70 Stat. 709), as supplemented, and a statement that the selection, together with other selections under the act pending or approved, does not exceed 102,550,000 acres (400,000 acres where one of the grants for community purposes is involved).

(ii) A certificate by the selecting agent showing:

(a) That the selection is made under and pursuant to the laws of the State.

(b) The acreage selected and the cumulative acreage of all prior selection lists pending and finally approved for clear-listing or patenting.

(c) His official title and his authority to make the selection on behalf of the State.

(d) That no portion of the selected land is occupied for any purpose by the United States and that to the best of his knowledge and belief the land is unoccupied, unimproved, and unappropriated by any person claiming the land other than the applicant, and that at the date of the application no part of the land claimed or occupied under the mining laws.

(e) That the selected land does not extend more than 160 rods along the shore of any navigable water or that such restriction has been waived or should be waived. (§2094.2 of this chapter.)

(f) All the facts relative to medicinal or hot springs or other waters upon the selected lands.

(iii) If the selected lands are surveyed, the legal description of the lands in accordance with official plats of survey.

(iv) If the selected lands are unsurveyed and are described by approved protraction diagrams of the rectangular system of surveys, such description is required.

(v) If the selected lands are unsurveyed and are not described by approved protraction diagrams, a description of the lands and a map or maps, in duplicate, sufficient to permit ready identification of the location, boundaries, and area of the lands.

(2) Selections must be accompanied by a filing fee of \$10 for 5,760 acres or
