

(iii) Pay your State contribution consistent with State laws.

[55 FR 2304, Jan. 23, 1990, as amended at 63 FR 64425, Nov. 20, 1998]

§ 206.201 Definitions.

(a) *Applicant* means a State agency, local government, or eligible private nonprofit organization, as identified in Subpart H of this regulation, submitting an application to the Grantee for assistance under the State's grant.

(b) *Emergency work* means that work which must be done immediately to save lives and to protect improved property and public health and safety, or to avert or lessen the threat of a major disaster.

(c) *Facility* means any publicly or privately owned building, works, system, or equipment, built or manufactured, or an improved and maintained natural feature. Land used for agricultural purposes is not a facility.

(d) *Grant* means an award of financial assistance. The grant award shall be based on the total eligible Federal share of all approved projects.

(e) *Grantee* means the government to which a grant is awarded which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document. For purposes of this regulation, except as noted in § 206.202, the State is the grantee.

(f) *Hazard mitigation* means any cost effective measure which will reduce the potential for damage to a facility from a disaster event.

(g) *Permanent work* means that restorative work that must be performed through repairs or replacement, to restore an eligible facility on the basis of its predisaster design and current applicable standards.

(h) *Predisaster design* means the size or capacity of a facility as originally designed and constructed or subsequently modified by changes or additions to the original design. It does not mean the capacity at which the facility was being used at the time the major disaster occurred if different from the most recent designed capacity.

(i) A *project* is a logical grouping of work required as a result of the declared major disaster or emergency.

(1) We must approve a scope of eligible work and an itemized cost estimate before funding a project.

(2) A project may include eligible work at several sites.

(j) *Project approval* means the process in which the Regional Director, or designee, reviews and signs an approval of work and costs on a Project Worksheet or on a batch of Project Worksheets. Such approval is also an obligation of funds to the Grantee.

(k) *Subgrant* means an award of financial assistance under a grant by a grantee to an eligible subgrantee.

(l) *Subgrantee* means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

§ 206.202 Application procedures.

(a) *General.* This section describes the policies and procedures we use to process public assistance grants to States. Under this section you, the State, are the Grantee. As Grantee you are responsible for processing subgrants to applicants under 44 CFR parts 13, 14, and 206, and under your own policies and procedures.

(b) *Grantee.* You are the grant administrator for all funds provided under the Public Assistance grant program. Your responsibilities under this section include:

(1) Providing technical advice and assistance to eligible subgrantees;

(2) Providing State support for project identification activities;

(3) Ensuring that all potential applicants are aware of available public assistance; and

(4) Submitting documents necessary for the award of grants.

(c) *Request for public assistance (Request).* You, the Grantee, must send a completed Request (FEMA Form 90-49) to the Regional Director for each applicant who requests public assistance. You must send Requests to the Regional Director within 30 days after designation of the area where the damage occurred.

(d) *Project Worksheets.* (1) An applicant's authorized local representative
