

§ 206.395

(6) Costs for personal comfort and safety items normally provided by the State under field conditions for firefighter health and safety.

(7) Mobilization and demobilization costs directly relating to the Federal fire suppression assistance approved by the Associate Director.

(8) Eligible costs of local governmental firefighting organizations which are reimbursed by the State pursuant to an existing cooperative mutual aid agreement, in suppressing an approved incident fire.

(9) State costs for suppressing fires on Federal land in cases in which the State has a responsibility under a cooperative agreement to perform such action on a nonreimbursable basis. This provision is an exception to normal FEMA policy under the Act and is intended to accommodate only those rare instances that involve State fire suppression of section 420 incident fires involving co-mingled Federal/State and privately owned forest or grassland.

(10) In those instances in which assistance under section 420 of the Act is provided in conjunction with existing Interstate Forest Fire Protection Compacts, eligible costs are reimbursed in accordance with eligibility criteria established in this section.

(c) *Program specific ineligible costs.* (1) Any costs for presuppression, salvaging timber, restoring facilities, seeding and planting operations.

(2) Any costs not incurred during the incident period as determined by the Regional Director other than reasonable and directly related mobilization and demobilization costs.

(3) State costs for suppressing a fire on co-mingled Federal land where such costs are reimbursable to the State by a Federal agency under another statute (see 44 CFR part 151).

§ 206.395 Grant administration.

(a) Project administration shall be in accordance with 44 CFR part 13, and applicable portions of subpart G, 44 CFR part 206.

(b) In those instances in which reimbursement includes State fire suppression assistance on co-mingled State and Federal lands (§ 206.394(b)(9)), the Regional Director shall coordinate with other Federal programs to pre-

44 CFR Ch. I (10-1-99 Edition)

clude any duplication of payments. (See 44 CFR part 151.)

(c) Audits shall be in accordance with the Single Audit Act of 1984, Pub. L. 98-502. (See subpart G of this part.)

(d) A State may appeal a determination by the Regional Director on any action related to Federal assistance for fire suppression. Appeal procedures are contained in 44 CFR 206.206.

Subpart M—Hazard Mitigation Planning

SOURCE: 55 FR 35529, Aug. 30, 1990, unless otherwise noted.

§ 206.400 General.

This subpart prescribes the requirements for implementation of section 409 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Pub. L. 93-288, as amended, hereinafter referred to as the "Stafford Act") and prescribes Federal, State and local hazard mitigation planning responsibilities following the declaration of a major disaster or emergency, or declaration for fire suppression assistance pursuant to section 420 of the Stafford Act.

§ 206.401 Definitions.

Federal Hazard Mitigation Officer is the FEMA employee responsible for carrying out the overall responsibilities for hazard mitigation and for this subpart, including coordinating post-disaster hazard mitigation actions with other agencies of government at all levels.

Hazard Mitigation means any action taken to reduce or eliminate the long-term risk to human life and property from natural hazards.

Hazard Mitigation Grant Program means the program authorized under section 404 of the Stafford Act, which may provide funding for certain mitigation measures identified through the evaluation of hazards conducted under section 409 of the Stafford Act.

Hazard Mitigation Plan means the plan resulting from a systematic evaluation of the nature and extent of vulnerability to the effects of natural hazards present in society and includes the

actions needed to minimize future vulnerability to hazards, as required under section 409 of the Stafford Act.

Hazard Mitigation Plan Update means an update to the existing hazard mitigation plan, which may be accomplished either by updating the status of mitigation actions within the existing plan, or by expanding the existing plan to address additional hazards or mitigation issues.

Hazard Mitigation Survey Team means the FEMA/State/Local survey team that is activated following disasters to identify immediate mitigation opportunities and issues to be addressed in the section 409 hazard mitigation plan. The Hazard Mitigation Survey Team may include representatives of other Federal agencies, as appropriate.

Interagency Hazard Mitigation Team means the mitigation team that is activated following flood related disasters pursuant to the July 10, 1980 Office of Management and Budget directive on Nonstructural Flood Protection Measures and Flood Disaster Recovery, and the subsequent December 15, 1980 Interagency Agreement for Non-structural Damage Reduction.

Local Hazard Mitigation Officer is the representative of local government who serves on the Hazard Mitigation Survey Team or Interagency Hazard Mitigation Team and who is the primary point of contact with FEMA, other Federal agencies, and the State in the planning and implementation of post-disaster hazard mitigation activities.

Measure means any mitigation measure, project, or action proposed to reduce risk of future damage, hardship, loss or suffering from disasters.

Natural Disaster is any natural catastrophe, including any hurricane, tornado, storm, high water, wind driven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, fire, or drought.

State Hazard Mitigation Officer is the representative of State government who is the primary point of contact with FEMA, other Federal agencies, and local units of government in the planning and implementation of post-disaster mitigation programs and activities required under the Stafford Act.

§ 206.402 Responsibilities.

(a) *General*. This section identifies the key responsibilities of FEMA, States, and local participants in carrying out the requirements of section 409 of the Stafford Act.

(b) *FEMA*. The key responsibilities of the FEMA Regional Director are to:

(1) Oversee all FEMA-related pre- and post-disaster hazard evaluation and mitigation programs and activities;

(2) Appoint a Federal Hazard Mitigation Officer for each disaster to manage hazard mitigation programs and activities;

(3) Provide technical assistance to State and local governments in fulfilling mitigation responsibilities;

(4) Conduct periodic review of State hazard mitigation activities and programs to ensure that States are adequately prepared to meet their responsibilities under the Stafford Act;

(5) Assist the State in the identification of the appropriate mitigation actions that a State or locality must take in order to have a measurable impact on reducing or avoiding the adverse effects of a specific hazard or hazardous situation.

(6) Subsequent to a declaration, follow-up with State and local governments to ensure that mitigation commitments are fulfilled, and when necessary, take action, including recovery of funds or denial of future funds, if mitigation commitments are not fulfilled.

(c) *States*. The key responsibilities of the State are to coordinate all State and local responsibilities regarding hazard evaluation and mitigation, and to:

(1) Appoint a State Hazard Mitigation Officer, who reports to the governor's authorized representative, and who serves as the point of contact for and coordinates all matters relating to section 409 hazard mitigation planning and implementation;

(2) Prepare and submit, in accordance with the FEMA/State Agreement and the requirements of this subpart, a hazard mitigation plan(s) or update to existing plan(s), as required under
