

§ 206.435

44 CFR Ch. I (10–1–99 Edition)

which meet the criteria identified below:

(1) The project provides for the purchase of property damaged by the major, widespread flooding in the States of Illinois, Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, South Dakota, and Wisconsin during 1993;

(2) It provides for such purchase solely as a result of such flooding;

(3) It is carried out by or through a State or unit of general local government;

(4) The purchasing agency (grantee or subgrantee) notifies all potential property owners in writing that it will not use its power of eminent domain to acquire the properties if a voluntary agreement is not reached;

(5) The project is being assisted with amounts made available for:

(i) Disaster relief by the Federal Emergency Management Agency; or

(ii) By other Federal financial assistance programs.

(f) *Duplication of programs.* Section 404 funds cannot be used as a substitute or replacement to fund projects or programs that are available under other Federal authorities, except under limited circumstances in which there are extraordinary threats to lives, public health or safety or improved property.

(g) *Packaging of programs.* Section 404 funds may be packaged or used in combination with other Federal, State, local, or private funding sources when appropriate to develop a comprehensive mitigation solution, though section 404 funds cannot be used as a match for other Federal funds.

§ 206.435 Project identification and selection criteria.

(a) *Identification.* It is the State's responsibility to identify and select hazard mitigation projects. All funded projects must be consistent with the State's section 409 hazard mitigation plan. Hazard mitigation projects may be identified through the section 409 planning process, or through any other appropriate means. Procedures for the identification, funding, and management of mitigation projects shall be in-

cluded in the State's administrative plan.

(b) *Selection.* The State will establish procedures and priorities for the selection of mitigation measures. At a minimum the criteria must be consistent with the criteria stated in § 206.434(b) and include:

(1) Measures that best fit within an overall plan for development and/or hazard mitigation in the community, disaster area, or State;

(2) Measures that, if not taken, will have a severe detrimental impact on the applicant, such as potential loss of life, loss of essential services, damage to critical facilities, or economic hardship on the community;

(3) Measures that have the greatest potential impact on reducing future disaster losses;

(c) *Other considerations.* In addition to the selection criteria noted above, consideration should be given to measures that are designed to accomplish multiple objectives including damage reduction, environmental enhancement, and economic recovery, when appropriate.

§ 206.436 Application procedures.

(a) *General.* This section describes the procedures to be used by the State in submitting an application for funding for hazard mitigation grants. Under the Hazard Mitigation Grant Program the State is the grantee and is responsible for processing subgrants to applicants in accordance with 44 CFR parts 13 and 206.

(b) *Governor's Authorized Representative.* The Governor's Authorized Representative serves as the grant administrator for all funds provided under the Hazard Mitigation Grant Program. The Governor's Authorized Representative's responsibilities as they pertain to procedures outlined in this section include providing technical advice and assistance to eligible subgrantees, and ensuring that all potential applicants are aware of assistance available and submission of those documents necessary for grant award.

(c) *Letter of intent to participate.* Within 60 days of the disaster declaration, the State (Governor's Authorized Representative) will notify FEMA in writing of its intent to participate or not
