

§ 1150.13

(1) Information necessary to establish the name, address, and employer identification number of the commercial debtor;

(2) The amount, status, and history of the debt; and

(3) The program or pertinent activity under which the debt arose.

§ 1150.13 How will the Endowment contract for collection services?

The Endowment will use the services of a private collection contractor where it determines that such use is in the best interest of the Endowment. When the Endowment determines that there is a need to contract for collection services, it will:

(a) Retain sole authority to:

(1) Resolve any dispute with the debtor or regarding the validity of the debt;

(2) Compromise the debt;

(3) Suspend or terminate collection action;

(4) Refer the debt to the DOJ for litigation; and

(5) Take any other action under this part which does not result in full collection of the debt;

(b) Require the contractor to comply with the Privacy Act of 1974, as amended, to the extent specified in 5 U.S.C. 552a(m); with the Fair Debt Collection Practices Act (15 U.S.C. 1692-1692o) and other applicable Federal and State laws pertaining to debt collection practices; and with the applicable regulations of the Endowment in this chapter;

(c) Require the contractor to account accurately and fully for all amounts collected; and

(d) Require the contractor to provide to the Endowment, upon request, all data and reports contained in its files related to its collection actions on a debt.

§ 1150.14 When will the Endowment refer claims to the DOJ?

The Chairperson will refer to the DOJ for litigation claims on which aggressive collection actions have been taken but which could not be collected, compromised, suspended, or terminated. Referrals will be made as early as possible, consistent with aggressive Endowment collection action, and

45 CFR Ch. XI (10-1-00 Edition)

within the period for bringing a timely suit against the debtor.

§ 1150.15 Will the Endowment use a cross-servicing agreement with the Treasury to collect its claims?

(a) The Endowment will enter into a cross-servicing agreement that authorizes the Treasury to take the collection actions described in this part on behalf of the Endowment. These debt collection services will be provided to the Endowment in accordance with 31 U.S.C. Chapter 37.

(b) The Endowment shall transfer to the Treasury any past due, legally enforceable, non-tax debt that has been delinquent for a period of 180 days or more so that the Secretary of the Treasury may take appropriate action in accordance with 31 U.S.C. 3716, 5 U.S.C. 5514, the Federal Claims Collection Standards, 5 CFR 550.1108, and 31 CFR part 285. The categories of debts described in 31 U.S.C. 3711(g)(2) are excluded from transfer under this paragraph (b).

§ 1150.16 May I use the Endowment's failure to comply with these regulations as a defense?

No. The failure of the Endowment to comply with any standard prescribed in the Federal Claims Collection Standards or these regulations shall not be available to any debtor as a defense.

Subpart B—Salary Offset

§ 1150.20 What debts are included or excluded from coverage of these regulations on salary offset?

(a) The regulations in this subpart provide Endowment procedures for the collection by salary offset of a Federal employee's pay to satisfy certain debts owed to the Endowment or to other Federal agencies.

(b) The regulations in this subpart do not apply to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute.

(c) Nothing in the regulations in this subpart precludes the compromise, suspension, or termination of collection actions under the Federal Claims Collection Act of 1966, as amended, or the Federal Claims Collection Standards.

(d) A levy pursuant to the Internal Revenue Code takes precedence over a salary offset under this subpart, as provided in 5 U.S.C. 5514(d).

(e) This subpart does not apply to any adjustment to pay arising out of your election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four or fewer pay periods.

§ 1150.21 May I ask the Endowment to waive an overpayment that otherwise would be collected by offsetting my salary as a Federal employee?

Yes. The regulations in this subpart do not preclude you from requesting waiver of an overpayment under 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or other statutory provisions pertaining to the particular debts being collected.

§ 1150.22 What are the Endowment's procedures for salary offset?

(a) The Endowment will coordinate salary deductions under this subpart as appropriate.

(b) If you are an Endowment employee, the Endowment's payroll office will determine the amount of your disposable pay and will implement the salary offset.

(c) Deductions will begin within three official pay periods following receipt by the Endowment's payroll office of certification of debt from the creditor agency.

(d) Types of collection. (1) *Lump-sum offset*. If the amount of the debt is equal to or less than 15 percent of disposable pay, the debt generally will be collected through one lump-sum offset.

(2) *Installment deductions*. Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and your ability to pay. However, the amount deducted from any period will not exceed 15 percent of the disposable pay from which the deduction is made unless you have agreed in writing to the deduction of a greater amount. If possible, installment payments will be sufficient in size and frequency to

liquidate the debt in three years or less.

(3) *Deductions from final check*. A deduction exceeding the 15 percent of disposable pay limitation may be made from any final salary payment under 31 U.S.C. 3716 and the Federal Claims Collection Standards, in order to liquidate the debt, whether the employee is being separated voluntarily or involuntarily.

(4) *Deductions from other sources*. If an employee subject to salary offset is separated from the Endowment, and the balance of the debt cannot be liquidated by offset of the final salary check, then the Endowment may offset later payments of any kind against the balance of the debt, as allowed by 31 U.S.C. 3716 and the Federal Claims Collection Standards.

(e) Multiple debts. In instances where two or more creditor agencies are seeking salary offsets, or where two or more debts are owed to a single creditor agency, the Endowment's payroll office may, at its discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.

§ 1150.23 How will the Endowment coordinate salary offsets with other agencies?

(a) *Responsibilities of the Endowment as the creditor agency*. Upon completion of the procedures established in this subpart and pursuant to 5 U.S.C. 5514, the Endowment must submit a claim to a paying agency.

(1) In its claim, the Endowment must certify, in writing, the following:

- (i) That the employee owes the debt;
- (ii) The amount and basis of the debt;
- (iii) The date the Endowment's right to collect the debt first accrued; and
- (iv) That the Endowment's regulations in this subpart have been approved by OPM under 5 CFR part 550, subpart K.

(2) If the collection must be made in installments, the Endowment's claim will also advise the paying agency of the amount or percentage of disposable pay to be collected in each installment. The Endowment may also advise the paying agency of the number of installments to be collected and the date of the first installment, if that date is
