

(b) Volunteers are not authorized to obtain extension of credit by representing themselves as a Federal Government employee.

### Subpart G—Miscellaneous

#### § 1213.7-1 Student loan deferrals.

(a) The Higher Education Act of 1965, as amended, exempts full-time domestic volunteers from repayment of National Defense Education Act loans for a period of service not to exceed three years. Volunteers wishing to defer repayment of NDEA loans must obtain the necessary forms from their universities. Regional Offices are authorized to certify these forms, but if the university or volunteer should submit the form to Headquarters for certification, it will be sent to the appropriate Regional Office for completion.

(b) If the volunteer is still in service at the time of ACTION's certification, his anticipated termination date will be furnished to the lender.

(c) Repayment of other college loans may also be deferred. These repayments, however, are deferred at the discretion of the lender. If the lender is willing to defer payment, volunteers must obtain the necessary forms from the lender and forward them to the Regional Office for certification. If forms are not available from the lender, a letter to the university or lender may be prepared certifying the dates of the volunteer's service.

#### § 1213.7-2 Death benefits.

In case of the death of a volunteer away from his home of record, certain costs associated with transportation of the body are reimbursable either under the Federal Employees Compensation Act or ACTION policy. Volunteers whose death results from personal injury or illness sustained in the performance of his project duties are eligible for reimbursement of certain funeral expenses. Monthly benefits for eligible dependents of deceased volunteers may be available under the Federal Employees Compensation Act. In certain other unusual circumstances, payment of certain funeral expenses for volunteers not meeting the above requirements may be authorized.

#### § 1213.7-3 Firearms.

ACTION volunteers may not normally possess, use, or carry firearms. If a volunteer wishes to keep firearms for hunting, approval must be obtained from the sponsor, State Program Director and the ACTION Regional Director in the region where the volunteer is assigned. The volunteer must request approval for possession or use of firearms from his sponsor and his State Program Director. If he receives their approval, his request may then be considered by his ACTION Regional Director. If approval is granted by the ACTION Regional Director, the volunteer must adhere to all state and local regulations relating to the possession and use of firearms.
