[50 FR 48591, Nov. 26, 1985, as amended at 51 FR 21559, June 13, 1986]

§ 1614.2 General policy.

(a) This part implements the policy adopted by the Board of Directors of the Corporation which requires that a substantial amount of funds be made available to encourage the involvement of private attorneys in the delivery of legal assistance to eligible clients through both *pro bono* and compensated mechanisms, and that such funds be expended in an economic and efficient manner.

(b) In the case of recipients whose service areas are adjacent, coterminous or overlapping, the recipients may enter into joint efforts to involve the private attorneys in the delivery of legal services to eligible clients, subject to the prior approval of the Office of Field Services. In order to be approved the joint venture plan must meet the following conditions:

(1) The recipients involved in the joint venture must plan to expend at least twelve and one-half percent (12½%) of the aggregate of their basic field awards on PAI. In the case of recipients with adjacent service areas, 12½% of each recipient's grant shall be expended to PAI; provided, however, that such expenditure is subject to waiver under § 1614.6;

(2) Each recipient in the joint venture must be a bona fide participant in the activities undertaken by the joint venture; and

(3) The joint PAI venture must provide an opportunity for involving private attorneys throughout the entire joint service area(s).

(c) Private attorney involvement shall be an integral part of a total local program undertaken within the established priorities of that program in a manner that furthers the statutory requirement of high quality, economical and effective client-centered legal assistance to eligible clients. Decisions concerning implementation of the sub-

stantial involvement requirement rest with the recipient through its governing body, subject to review and evaluation by the Corporation.

§ 1614.3 Range of activities.

(a) Activities undertaken by the recipient to meet the requirements of this part must include the direct delivery of legal assistance to eligible clients through programs such as organized *pro bono* plans, reduced fee plans, *judicare* panels, private attorney contracts, or those modified *pro bono* plans which provide for the payment of nominal fees by eligible clients and/or organized referral systems; except that payment of attorney's fees through "revolving litigation fund" systems, as described in § 1614.5 of this part, shall neither be used nor funded under this part nor funded with any LSC support;

(b) Activities undertaken by recipients to meet the requirements of this part may also include, but are not limited to:

(1) Support provided by private attorneys to the recipient in its delivery of legal assistance to eligible clients on either a reduced fee or *pro bono* basis through the provision of community legal education, training, technical assistance, research, advice and counsel; co-counseling arrangements; or the use of private law firm facilities, libraries, computer-assisted legal research systems or other resources; and

(2) Support provided by the recipient in furtherance of activities undertaken pursuant to this Section including the provision of training, technical assistance, research, advice and counsel, or the use of recipient facilities, libraries, computer assisted legal research systems or other resources.

(c) The specific methods to be undertaken by a recipient to involve private attorneys in the provision of legal assistance to eligible clients will be determined by the recipient's taking into account the following factors:

(1) The priorities established pursuant to part 1620 of these regulations;

(2) The effective and economic delivery of legal assistance to eligible clients;

(3) The linguistic and cultural barriers to effective advocacy.
