§ 2106.2

§ 2106.1 Rules for determining if an individual is the subject of a record.

(a) Individuals desiring to know if a specific system of records maintained by the Commission of Fine Arts contains a record pertaining to them should address their inquiries to the Secretary, Commission of Fine Arts, 708 Jackson Place, NW., Washington, DC 20006. The written inquiry should contain a specific reference to the system of records maintained by CFA listed in the CFA Notices of Systems of Records or it should describe the type of record in sufficient detail to reasonably identify the system of records. Notice of CFA Systems of Records will be made in the FEDERAL REGISTER and copies of the notices will be available upon request to the Secretary when so published. A compilation of such notices will also be made and published by the Office of the Federal Register in accordance with section 5 U.S.C. 552a(f).

(b) At a minimum, the request should contain sufficient identifying information to allow CFA to determine if there is a record pertaining to the individual making the request in a particular system of records. In instances where identification is insufficient to insure disclosure to the individual to whom the information pertains in view of the sensitivity of the information, CFA reserves the right to solicit from the requester additional identifying information.

(c) Ordinarily the requester will be informed whether the named system of records contains a record pertaining to the requester within 10 days of the receipt of such a request (excluding Saturdays, Sundays, and legal Federal holidays). Such a response will also contain or reference the procedures which must be followed by the individual making the request in order to gain access to the record.

(d) Whenever a response cannot be made within 10 days, the Secretary will inform the requester of the reasons for the delay and the date by which a response may be anticipated.

§ 2106.2 Requests for access.

(a) *Requirement for written requests.* Individuals desiring to gain access to a record pertaining to them in a system of records maintained by CFA must submit their request in writing in accordance with the procedures set forth in paragraph (b) of this section.

(b) *Procedures.* (1) Content of the request. The request for access to a record in a system of records shall be addressed to the Secretary, at the address cited above; and shall name the system of records or contain a description (as concise as possible) of such system of records. The request should state that the request is pursuant to the Privacy Act of 1974. In the absence of such a statement, if the request is for a record pertaining to the requester maintained by CFA in a system of records, the request will be presumed to be made under the Privacy Act of 1974. The requester should include any other information which may assist in the rapid identification of the record for which access is being requested (e.g., maiden name, dates of employment, etc.).

(2) Requirements for identification will normally be limited to the presentation of any standard picture and signature or signature identification card, such as driver's license, so that a comparison of the signature and the signature on the original request may be made. The appearing individual will be read paragraph (3), subsection (i) to title 5 U.S.C. 552a which specifies the penalty for knowingly or willfully requesting or obtaining a record concerning an individual from an agency under false pretenses and asked to sign a statement attesting to the fact that he or she understands the paragraph and that he or she is, in fact, the individual who made the request (or the individual authorized to receive the disclosure by the requesting individual). This signature will be compared with the other two. If the appearing individual is other than the requesting individual, then he or she must also present a letter of introduction signed by the requesting individual so that the comparison of signature may be made.
