[64 FR 17878, Apr. 12, 1999; 64 FR 40291, July 26, 1999]

§ 260.31 What does the term “assistance” mean?

(a)(1) The term “assistance” includes cash, payments, vouchers, and other forms of benefits designed to meet a family's ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses).

(2) It includes such benefits even when they are:

(i) Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and

(ii) Conditioned on participation in work experience or community service (or any other work activity under § 261.30 of this chapter).

(3) Except where excluded under paragraph (b) of this section, it also includes supportive services such as transportation and child care provided to families who are not employed.

(b) It excludes:

(1) Nonrecurrent, short-term benefits that:

(i) Are designed to deal with a specific crisis situation or episode of need;

(ii) Are not intended to meet recurrent or ongoing needs; and

(iii) Will not extend beyond four months.

(2) Work subsidies (i.e., payments to employers or third parties to help

cover the costs of employee wages, benefits, supervision, and training);

(3) Supportive services such as child care and transportation provided to families who are employed;

(4) Refundable earned income tax credits;

(5) Contributions to, and distributions from, Individual Development Accounts;

(6) Services such as counseling, case management, peer support, child care information and referral, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support; and

(7) Transportation benefits provided under a Job Access or Reverse Commute project, pursuant to section 404(k) of the Act, to an individual who is not otherwise receiving assistance.

(c) The definition of the term assistance specified in paragraphs (a) and (b) of this section:

(1) Does not apply to the use of the term assistance at part 263, subpart A, or at part 264, subpart B, of this chapter; and

(2) Does not preclude a State from providing other types of benefits and services in support of the TANF goal at § 260.20(a).

§ 260.32 What does the term “WtW cash assistance” mean?

(a) For the purpose of § 264.1(b)(1)(iii) of this chapter, WtW cash assistance only includes benefits that:

(1) Meet the definition of assistance at § 260.31; and

(2) Are directed at basic needs.

(b) Thus, it includes benefits described in paragraphs (a)(1) and (a)(2) of § 260.31, but excludes benefits described in paragraph (a)(3) of § 260.31.

(c) It only includes benefits identified in paragraphs (a) and (b) of this section when they are provided in the form of cash payments, checks, reimbursements, electronic funds transfers, or any other form that can legally be converted to currency.

§ 260.33 When are expenditures on State or local tax credits allowable expenditures for TANF-related purposes?

(a) To be an allowable expenditure for TANF-related purposes, any tax

§ 260.35

credit program must be reasonably calculated to accomplish one of the purposes of the TANF program, as specified at § 260.20.

(b)(1) In addition, pursuant to the definition of expenditure at § 260.30, we would only consider the refundable portion of a State or local tax credit to be an allowable expenditure.

(2) Under a State Earned Income Tax Credit (EITC) program, the refundable portion that may count as an expenditure is the amount that exceeds a family's State income tax liability prior to application of the EITC. (The family's tax liability is the amount owed prior to any adjustments for credits or payments.) In other words, we would count only the portion of a State EITC that the State refunds to a family and that is above the amount of EITC used as credit towards the family's State income tax liability.

(3) For other refundable (and allowable) State and local tax credits, such as refundable dependent care credits, the refundable portion that would count as an expenditure is the amount of the credit that exceeds the taxpayer's tax liability prior to the application of the credit. (The taxpayer's liability is the amount owed prior to any adjustments for credits or payments.) In other words, we would count only the portion of the credit that the State refunds to the taxpayer and that is above the amount of the credit applied against the taxpayer's tax bill.

45 CFR Ch. II (10–1–00 Edition)

We will judge State actions that occurred prior to the effective date of these rules and expenditures of funds received prior to the effective date only against a reasonable interpretation of the statutory provisions in title IV-A of the Act.

(b) The effective date of these rules is October 1, 1999.
