

(1) Deducting from the assistance that would otherwise be provided to the family of the individual an amount equal to not less than 25 percent of the amount of such assistance; or

(2) Denying the family any assistance under the program.

§ 264.31 What happens if a State does not comply with the IV-D sanction requirement?

(a)(1) If we find that, for a fiscal year, the State IV-A agency did not enforce the penalties against recipients required under § 264.30(c), we will reduce the SFAG payable for the next fiscal year by one percent of the adjusted SFAG.

(2) Upon a finding for a second fiscal year, we will reduce the SFAG by two percent of the adjusted SFAG for the following year.

(3) A third or subsequent finding will result in the maximum penalty of five percent.

(b) We will not impose a penalty if:

(1) The State demonstrates to our satisfaction that it had reasonable cause pursuant to § 262.5 of this chapter; or

(2) The State achieves compliance under a corrective compliance plan pursuant to § 262.6 of this chapter.

§ 264.40 What happens if a State does not repay a Federal loan?

(a) If a State fails to repay the amount of principal and interest due at any point under a loan agreement developed pursuant to section 406 of the Act:

(1) The entire outstanding loan balance, plus all accumulated interest, becomes due and payable immediately; and

(2) We will reduce the SFAG payable for the immediately succeeding fiscal year quarter by the outstanding loan amount plus interest.

(b) Neither the reasonable cause provisions at § 262.5 of this chapter nor the corrective compliance plan provisions at § 262.6 of this chapter apply when a State fails to repay a Federal loan.

§ 264.50 What happens if, in a fiscal year, a State does not expend, with its own funds, an amount equal to the reduction to the adjusted SFAG resulting from a penalty?

(a)(1) When we withhold Federal TANF funds from a State during a fiscal year because of other penalty actions listed at § 262.1 of this chapter, the State must replace these Federal TANF funds with State funds during the subsequent fiscal year.

(2) If the State fails to replace funds during the subsequent year, then we will assess an additional penalty of no more than two percent of the adjusted SFAG during the year that follows the subsequent year.

(b) A State must expend such replacement funds under its TANF program, not under “separate State programs.”

(c) We will assess a penalty of no more than two percent of the adjusted SFAG plus the amount equal to the difference between the amount the State was required to expend and the amount it actually expended in the fiscal year.

(1) We will assess the maximum penalty amount if the State made no additional expenditures to compensate for the reductions to its adjusted SFAG resulting from penalties.

(2) We will reduce the percentage portion of the penalty if the State has expended some of the amount required. In such case, we will calculate the applicable percentage portion of the penalty by multiplying the percentage of the required expenditures that the State failed to make in the fiscal year by two percent.

(d) The reasonable cause and corrective compliance plan provisions at §§ 262.5 and 262.6 of this chapter do not apply to this penalty.

Subpart B—What Are the Requirements for the Contingency Fund?

§ 264.70 What makes a State eligible to receive a provisional payment of contingency funds?

(a) In order to receive a provisional payment of contingency funds, a State must:
