

Department of Health and Human Services

§31.11

until the issuance of a written decision by the hearing officer which determines that a debt or part of a debt is past due and legally enforceable.

§31.7 Application of offset funds: Single debt.

If the debtor does not timely notify the Secretary that the debtor is exercising a right described in §31.3, the Secretary will notify the IRS of the debt 60 calendar days from the date of the Department's Notice of Intent, and will request that the amount of the debt be offset against any amount payable by the IRS as refund of Federal taxes paid. Normally, recovered funds will be applied first to any special charges provided for in HHS regulations or contracts, then to interest, and finally, to the principal owed by the debtor.

§31.8 Application of offset funds: Multiple debts.

The Secretary will use the procedures set out in §31.7 for the offset of multiple debts. However, when collecting on multiple debts the Secretary will apply the recovered amounts against the debts in order in which the debts accrued.

§31.9 Application of offset funds: Tax refund insufficient to cover amount of debt.

If a tax refund is insufficient to satisfy a debt in a given tax year, the Secretary will recertify to the IRS on the following year to collect further on the debt. If, in the following year, the debt has become legally unenforceable because of the lapse of the statute of limitations, the debt will be reported to the IRS as a discharged debt in accordance with §31.1(d) and 45 CFR 30.31(b).

§31.10 Time limitation for notifying the IRS to request offset of tax refunds due.

(a) The Secretary may not initiate offset of tax refunds due to collect a debt for which authority to collect arises under 31 U.S.C. 3716 more than 10 years after the Secretary's right to collect the debt first accrued, unless facts material to the Secretary's right to collect the debt were not known and could not reasonably have been known

by the officials of the Department who were responsible for discovering and collecting such debts.

(b) When the debt first accrued is determined according to existing law regarding the accrual of debts. (See, for example, 28 U.S.C. 2415.)
