§0.314 Additional authority delegated.

The *Regional Director, Deputy Regional Director, District Director or Resident Agent* at each installation is delegated authority to act upon applications, requests, or other matters, which are not in hearing status, and direct the following activities necessary to conduct investigations or inspections:

(a) On informal requests from broadcast stations to extend temporary authority for operation without monitors, plate ammeter, plate voltmeter, base current meter, common point meter, and transmission line meter from FM and television stations.

(b)(1) Extend the Communications Act Safety Radiotelephony Certificate for a period of up to 90 days beyond the specified expiration date.

(b)(2) Grant emergency exemption requests, extensions or waivers of inspection to ships in accordance with applicable provisions of the Communications Act, the Safety Convention, the Great Lakes Agreement or the Commission's rules.

(c) To act on and make determinations on behalf of the Commission regarding requests for assignments and reassignments of priorities under the Telecommunications Service Priority System, Part 64 of the rules, when circumstances require immediate action and the common carrier seeking to provide service states that it cannot contact the National Communications System or the Commission office normally responsible for such assignments.

(d) Require special equipment and program tests during inspections or investigations to determine compliance with technical requirements specified by the Commission.

(e) Require stations to operate with the pre-sunrise and nighttime facilities during daytime hours in order that an inspection or investigation may be made by an authorized Commission

representative to determine operating parameters.

(f) Issuance of notices and orders to operators of industrial, scientific, and medical (ISM) equipment, as provided in §18.115 of this chapter.

(g) Requests for permission to resume operation of ISM equipment on a temporary basis, as provided by §18.115 of this chapter, and requests for extensions of time within which to file final reports, as provided by §18.117 of this chapter.

(h) Issuance of notices and orders to operators of Part 15 devices, as provided in §15.5 of this chapter.

(i) Issuance of notices and orders to cable operators of harmful interference to radio communications services involving safety services, as provided in §76.613 of this chapter.

(j) When deemed necessary by the *District Director or Resident Agent* of a Commission field facility to assure compliance with the Rules, a station licensee shall maintain a record of such operating and maintenance records as may be necessary to resolve conditions of interference or deficient technical operation.
