

Federal Communications Commission

§ 1.1940

taken to collect from the employee's current pay account.

(3) *Review.* The paying agency is not required or authorized to review the merits of the creditor agency's determination with respect to the amount or validity of the debt certified by the creditor agency.

(c) *Employees who transfer from one paying agency to another.* (1) If, after the creditor agency has submitted the debt claim to the employee's paying agency, the employee transfers to a position served by a different paying agency before the debt is collected in full, the paying agency from which the employee separates must certify the total amount of the collection made on the debt. One copy of the certification must be furnished to the employee, another to the creditor agency along with notice of employee's transfer. However, the creditor agency must submit a properly certified claim to the new paying agency before collection can be resumed.

(2) When an employee transfers to another paying agency, the creditor agency need not repeat the due process procedures described by 5 U.S.C. 5514 and this subpart to resume the collection. However, the creditor agency is responsible for reviewing the debt upon receiving the former paying agency's notice of the employee's transfer to make sure the collection is resumed by the new paying agency.

§ 1.1935 Obtaining the services of a hearing official.

(a) When the debtor does not work for the creditor agency and the creditor agency cannot provide a prompt and appropriate hearing before an administrative law judge or before a hearing official furnished pursuant to another lawful arrangement, the creditor agency may contact an agent of the paying agency designated in appendix A of 5 CFR part 581 for a hearing official, and the paying agency must then cooperate as provided by 4 CFR 102.1 and provide a hearing official.

(b) When the debtor works for the creditor agency, the creditor agency may contact any agent (of another agency) designated in appendix A of 5 CFR part 581 to arrange for a hearing official. Agencies must then cooperate

as required by 4 CFR 102.1 and provide a hearing official.

INTEREST, PENALTIES, ADMINISTRATIVE COSTS AND OTHER SANCTIONS

§ 1.1940 Assessment.

(a) Except as provided in paragraph (h) of this section, or § 1.1941, the Commission shall assess interest, penalties and administrative costs on debts owed to the United States pursuant to 31 U.S.C. 3717. Before assessing these charges, the Commission will mail or hand-deliver a written notice to the debtor explaining the agency's requirements concerning these charges.

(b) Interest shall accrue from the date on which notice of the debt and the interest requirements is first mailed or hand-delivered to the debtor, using the most current address that is available to the agency. If the Commission should use an "advance billing" procedure—that is, if it mails a bill before a debt is actually owed—it can include the required interest notification in the advance billing, but interest may not start to accrue before the debt is actually owed.

(c) The rate of interest assessed shall be the rate of the current value of funds to the United States Treasury (i.e., the Treasury Tax and loan account rate), as prescribed and published by the Secretary of the Treasury in the FEDERAL REGISTER and the Treasury Financial Manual Bulletins annually or quarterly, in accordance with 31 U.S.C. 3717. The Commission may assess a higher rate of interest if it reasonably determines that a higher rate is necessary to protect the interests of the United States. The rate of interest, as initially assessed, shall remain fixed for the duration of the indebtedness except that where a debtor has defaulted on a repayment agreement and seeks to enter into a new agreement, the Commission may set a new interest rate which reflects the current value of funds to the Treasury at the time the new agreement is executed. Interest will not be assessed on accrued interest, penalties, or administrative costs required by this section. However, if the debtor defaults on a previous repayment agreement, charges which accrued but were not

§ 1.1941

collected under the defaulted agreement shall be added to the principal to be paid under a new repayment schedule.

(d) The Commission shall assess against a debtor charges to cover administrative costs incurred as a result of a delinquent debt—that is, the additional costs incurred in processing and handling the debt because it became delinquent. Calculation of administrative costs shall be based upon actual costs incurred or upon costs analyses establishing an average of actual additional costs incurred by the agency in processing and handling claims against other debtors in similar stages of delinquency. Administrative costs may include costs incurred in obtaining a credit report or in using a private debt collector, to the extent they are attributable to the delinquency.

(e) The Commission shall assess a penalty charge, not to exceed 6 percent a year, on any portion of a debt that is delinquent for more than 90 days. This charge need not be calculated until the 91st day of delinquency, but shall accrue from the date that the debt became delinquent.

(f) When a debt is paid in partial or installment payments, amounts received by the agency shall be applied first to outstanding penalty and administrative cost charges, second to accrued interest, and third to the outstanding principal.

(g) The Commission will waive the collection of interest on the debt or any portion of the debt which is paid within 30 days after the date on which interest began to accrue. It may extend this 30-day period, on a case-by-case basis, if it reasonably determines that such action is appropriate. Also, the Commission may waive, in whole or in part, the collection of interest, penalties, and/or administrative costs assessed under this section under the criteria specified in part 103 of the Federal Claims Collection Standards (4 CFR part 103) relating to the compromise of claims (without regard to the amount of the debt), or if it determines that collection of these charges would be against equity and good conscience, or not in the best interest of the United States. Waiver under the first sentence of this paragraph (g) is

47 CFR Ch. I (10–1–00 Edition)

mandatory. Under the second and third sentences, it may be exercised under appropriate circumstances. Examples of appropriate circumstances include:

(1) Waiver of interest pending the agency's disposition of a request for reconsideration, administrative review, or waiver of the underlying debt under a permissive statute, and

(2) Waiver of interest where the Commission has accepted an installment plan under § 1.1914, and there is no indication of fault or lack of good faith on the part of the debtor.

(h) Where a mandatory waiver or review statute applies, interest and related charges may not be assessed for those periods during which collection action must be suspended under § 104.2(c)(1) of the Federal Claims Collection Standards (4 CFR part 104).

§ 1.1941 Exemptions.

(a) The provisions concerning interest and penalty on claims contained in 31 U.S.C. 3717 do not apply:

(1) To debts owed by any State or local government;

(2) To debts arising under contracts which were executed prior to, and were in effect on (i.e., were not completed as of), October 25, 1982;

(3) To debts where an applicable statute, regulation required by statute, loan agreement, or contract either prohibits such charges or explicitly fixes the charges that apply to the debts arising under the Social Security Act, the Internal Revenue Code of 1954, or the tariff laws of the United States.

(b) However, the Commission is authorized to assess interest and related charges on debts which are not subject to 31 U.S.C. 3717 to the extent authorized under the common law or other applicable statutory authority.

§ 1.1942 Other sanctions.

The remedies and sanctions available to the Commission in this subpart are not exclusive. The Commission may impose other sanctions, where permitted by law, for any inexcusable, prolonged, or repeated failure of a debtor to pay such a claim. In such cases, the Commission will provide notice, as required by law, to the debtor prior to imposition of any such sanction.
