## § 32.7240

results of transactions, events or circumstances which are of an operational nature, but occur irregularly or are peripheral to the major or central operations of the company and not provided for elsewhere.

### § 32.7199 Content of accounts.

The Operating Tax accounts shall include the taxes arising from the central operations of the company.

### § 32.7200 Operating taxes.

This account number shall be used by Class A telephone companies to summarize for reporting purposes the contents of Accounts 7210 through 7250. Class B telephone companies shall use this account for operating taxes of the type and character required of Class A companies in Accounts 7210 through 7250.

### § 32.7210 Operating investment tax credits—net.

(a) This account shall be charged and Account 4320, Unamortized Operating Investment Tax Credits—Net, shall be credited with investment tax credits generated from qualified expenditures related to regulated operations which the company defers rather than recognizes currently in income.

(b) This account shall be credited and Account 4320 shall be charged ratably with the amortization of each year's investment tax credits included in Account 4320 for investment services for ratemaking purposes. (See also Account 7410, Nonoperating Investment Tax Credits—Net.) Such amortization shall be determined in relation to the period of time used for computing book depreciation on the property with respect to which the tax credits relate.

### § 32.7220 Operating Federal income taxes.

(a) This account shall be charged and Account 4070, Income Taxes—Accrued, shall be credited for the amount of Federal Income Taxes for the current period. This account shall also reflect subsequent adjustments to amounts previously charged.

(b) Taxes should be accrued each month on an estimated basis and adjustments made as later data becomes available.

(c) Tax credits, other than investment tax credits, if normalized, shall be recorded consistent with the accounting for investment tax credits and shall be amortized to income as directed by this Commission.

(d) No entries shall be made to this account to reflect interperiod tax allocations.

### § 32.7230 Operating state and local income taxes.

(a) This account shall be charged and Account 4070, Income Taxes—Accrued, shall be credited for the amount of state and local income taxes for the current period. This account shall also reflect subsequent adjustments to amounts previously charged.

(b) Taxes should be accrued each month on an estimated basis and adjustments made as later data becomes available.

(c) No entries shall be made to this account to reflect interperiod tax allocations.

### § 32.7240 Operating other taxes.

(a) This account shall be charged and Account 4080, Other Taxes—Accrued, shall be credited for all taxes, other than Federal, state and local income taxes and payroll related taxes, related to regulated operations applicable to current periods. Among the items includable in this account are property, gross receipts, franchise and capital stock taxes; this account shall also reflect subsequent adjustments to amounts previously charged.

(b) Special assessments for street and other improvements and special benefit taxes, such as water taxes and the like, shall be included in the operating expense accounts or investment accounts, as may be appropriate.

(c) Discounts allowed for prompt payment of taxes shall be credited to the account to which the taxes are chargeable.

(d) Interest on tax assessments which are not paid when due shall be included in Account 7540, Other Interest Deductions.

(e) Taxes paid by the company under tax-free covenants on indebtedness shall be charged to Account 7360, Other Nonoperating Income.

**§ 32.7250**

(f) Sales and use taxes shall be accounted for, so far as practicable, as part of the cost of the items to which the taxes relate.

(g) Taxes on rented telecommunications plant which are borne by the lessee shall be credited by the owner to Account 5240, Rent Revenue, and shall be charged by the lessee to the appropriate Plant Specific Operations Expense account.

**§ 32.7250 Provision for deferred operating income taxes—net.**

(a) This account shall be charged or credited, as appropriate, *with contra entries* recorded to the following accounts for income tax expense that has been deferred in accordance with § 32.22 of Subpart B.

4100 Net Current Deferred Operating Income Taxes

4340 Net Noncurrent Deferred Operating Income Taxes

(b) Subsidiary record categories shall be maintained to distinguish between property and nonproperty related deferrals and so that the company may separately report that amounts contained herein that relate to Federal, state and local income taxes. Such subsidiary record categories shall be reported as required by part 43 of this Commission's Rules and Regulations.

**§ 32.7299 Content of accounts.**

The nonoperating income and expense accounts are intended to record the results of transactions, events and circumstances affecting the company during a period and which are not operational in nature. They shall include such items as nonoperating taxes, dividend income and interest income. Whenever practicable the inflows and outflows associated with a transaction or event shall be matched and the result shown as a net gain or loss.

**§ 32.7300 Nonoperating income and expense.**

This account number shall be used by Class A telephone companies to summarize for reporting purposes the contents of Accounts 7310 through 7370. Class B telephone companies shall use this account for nonoperating income and expense items of the type and char-

acter required of Class A companies in Accounts 7310 through 7370.

**§ 32.7310 Dividend income.**

(a) This account shall include dividends on investments in common and preferred stock, which is the property of the company, whether such stock is owned by the company and held in its treasury, or deposited in trust (except in sinking or other funds, see paragraph (c) of this section), or otherwise controlled.

(b) These accounts shall not include dividends or other returns on securities issued or assumed by the company and held by or for it, whether pledged as collateral, or held in its treasury, in special deposits, or in sinking or other funds.

(c) Dividends on stocks of other companies held in sinking or other funds shall be credited to Account 7330, Income from Sinking and Other Funds.

(d) Dividends received and receivable from affiliated companies accounted for on the equity method shall be included in Account 1401, Investments in Affiliated Companies, as a reduction of the carrying value of the investments.

**§ 32.7320 Interest income.**

(a) This account shall include interest on securities, including notes and other evidences of indebtedness, which are the property of the company, whether such securities are owned by the company and held in its treasury, or deposited in trust (except in sinking or other funds, see paragraph (d) to this section) or otherwise controlled. It shall also include interest on bank balances, certificates of deposits, open accounts, and other analogous items.

(b) There shall be included in this account for each month the applicable amount requisite to extinguish, during the interval between the date of acquisition and date of maturity, the difference between the purchase price and the par value of securities owned, the income from which is includable in this account. Amounts thus credited or charged shall be concurrently included in the accounts in which the securities are carried. Any such difference remaining unextinguished at the sale or upon the maturity and satisfaction of
