

papers containing the information underlying the data supplied in response to paragraph (h)(1) of this section, and a clear explanation of how the working papers relate to that information.

(ii) All statistical studies must be submitted and supported in the form prescribed in §1.363 of the Commission's rules.

(h) Each tariff filing submitted by a local exchange carrier subject to price cap regulation that introduces or changes the rates for connection charge subelements for expanded interconnection, as defined in §69.121 of this chapter, must be accompanied by cost data sufficient to establish that such charges will not recover more than a just and reasonable portion of the carrier's overhead costs.

(i) [Reserved]

(j) For a tariff that introduces a system of density pricing zones, as described in §69.123 of this chapter, the carrier must, before filing its tariff, submit a density pricing zone plan including, *inter alia*, documentation sufficient to establish that the system of zones reasonably reflects cost-related characteristics, such as the density of total interstate traffic in central offices located in the respective zones, and receive approval of its proposed plan.

(k) In accordance with §§61.41 through 61.49, local exchange carriers subject to price cap regulation that elect to file their annual access tariff pursuant to section 204(a)(3) of the Communications Act shall submit supporting material for their interstate annual access tariffs, absent rate information, 90 days prior to July 1 of each year.

(l) On each page of cost support material submitted pursuant to this section, the carrier shall indicate the transmittal number under which that page was submitted.

§§ 61.50–61.51 [Reserved]

§ 61.52 Form, size, type, legibility, etc.

(a) All tariff publications must be in loose-leaf form of size A4 (21 cm x 29.7 cm) or 8.5 x 11 inches (21.6 cm x 27.9 cm), and must be plainly printed in black print on white paper of durable quality. Less than 6-point type may not be used. Erasures or alterations in writing must not be made in any tariff publication filed with the Commission or in those copies posted for public convenience. A margin of no less than 2.5 cm (1 inch) in width must be allowed at the left edge of every tariff publication.

(b) Pages of tariffs must be printed on one side only, and must be numbered consecutively and designated as "Original title page," "Original page 1," "Original page 2," etc.

(1) All such pages must show, in the upper left-hand corner the name of the issuing carrier; in the upper right-hand corner the FCC number of the tariff, with the page designation directly below; in the lower left-hand corner the issued date; in the lower right-hand corner the effective date; and at the bottom, center, the street address of the issuing officer. The carrier must also specify the issuing officer's title either at the bottom center of all tariff pages, or on the title page and check sheet only.

(2) As an alternative, the issuing carrier may show in the upper left-hand corner the name of the issuing carrier, the title and street address of the issuing officer, and the issued date; and in the upper right-hand corner the FCC number of the tariff, with the page designation directly below, and the effective date. The carrier must specify the issuing officer's title in the upper left-hand corner of either all tariff pages, or on the title page and check sheet only. A carrier electing to place the information at the top of the page should annotate the bottom of each page to indicate the end of the material, e.g., a line, or the term "Printed in USA," or "End".

(3) Only one format may be employed in a tariff publication.
