### Subpart K—Changing Long Distance Service

#### § 64.1100 Definitions.

(a) The term *submitting carrier* is generally any telecommunications carrier that requests on the behalf of a subscriber that the subscriber's telecommunications carrier be changed, and seeks to provide retail services to the end user subscriber. A carrier may be treated as a submitting carrier, however, if it is responsible for any unreasonable delays in the submission of carrier change requests or for the submission of unauthorized carrier change requests, including fraudulent authorizations.

(b) The term *executing carrier* is generally any telecommunications carrier that effects a request that a subscriber's telecommunications carrier be changed. A carrier may be treated as an executing carrier, however, if it is responsible for any unreasonable delays in the execution of carrier changes or for the execution of unauthorized carrier changes, including fraudulent authorizations.

(c) The term *authorized carrier* is generally any telecommunications carrier that submits a change, on behalf of a subscriber, in the subscriber's selection of a provider of telecommunications service with the subscriber's authorization verified in accordance with the procedures specified in this part.

(d) The term *unauthorized carrier* is generally any telecommunications carrier that submits a change, on behalf of a subscriber, in the subscriber's selection of a provider of telecommunications service but fails to obtain the subscriber's authorization verified in

accordance with the procedures specified in this part.

(e) The term *unauthorized change* is a change in a subscriber's selection of a provider of telecommunications service that was made without authorization verified in accordance with the verification procedures specified in this part.

(f) The term *state commission* shall include any state entity with the state-designated authority to resolve the complaints of such state's residents arising out of an allegation that an unauthorized change of a telecommunication service provider has occurred that has elected, in accordance with the requirements of §64.1110(a), to administer the Federal Communications Commission's slamming rules and remedies, as enumerated in §§64.1100 through 64.1190.

(g) The term *relevant governmental agency* shall be the state commission if the complainant files a complaint with the state commission or if the complaint is forwarded to the state commission by the Federal Communications Commission, and the Federal Communications Commission if the complainant files a complaint with the Federal Communications Commission, and the complaint is not forwarded to a state commission.

#### § 64.1110 State notification of election to administer FCC rules.

(a) *Initial Notification.* State notification of an intention to administer the Federal Communication Commission's unauthorized carrier change rules and remedies, as enumerated in §§64.1100 through 64.1190, shall be filed with the Commission Secretary in CC Docket No. 94-129 with a copy of such notification provided to the Consumer Information Bureau Chief. Such notification shall contain, at a minimum, information on where consumers should file complaints, the type of documentation, if any, that must accompany a complaint, and the procedures the state will use to adjudicate complaints.

(b) *Withdrawal of Notification.* State notification of an intention to discontinue administering the Federal

Communication Commission's unauthorized carrier change rules and remedies, as enumerated in §§ 64.1100 through 64.1190, shall be filed with the Commission Secretary in CC Docket No. 94-129 with a copy of such amended notification provided to the Consumer Information Bureau Chief. Such discontinuance shall become effective 60 days after the Commission's receipt of the state's letter.

[65 FR 47691, Aug. 3, 2000]

EFFECTIVE DATE NOTE: At 65 FR 47691, Aug. 3, 2000, § 64.1110 was added, effective Sept. 5, 2000. Paragraphs (a) and (b) contain information collection requirements and will not become effective until approval by the Office of Management and Budget.

**§ 64.1120 Verification of orders for telecommunications service.**

(a) No telecommunications carrier shall submit or execute a change on the behalf of a subscriber in the subscriber's selection of a provider of telecommunications service except in accordance with the procedures prescribed in this subpart. Nothing in this section shall preclude any State commission from enforcing these procedures with respect to intrastate services.

(1) No submitting carrier shall submit a change on the behalf of a subscriber in the subscriber's selection of a provider of telecommunications service prior to obtaining:

(i) Authorization from the subscriber, and

(ii) Verification of that authorization in accordance with the procedures prescribed in this section. The submitting carrier shall maintain and preserve records of verification of subscriber authorization for a minimum period of two years after obtaining such verification.

(2) An executing carrier shall not verify the submission of a change in a subscriber's selection of a provider of telecommunications service received from a submitting carrier. For an executing carrier, compliance with the procedures described in this part shall be defined as prompt execution, without any unreasonable delay, of changes that have been verified by a submitting carrier.

(3) Commercial mobile radio services (CMRS) providers shall be excluded from the verification requirements of this part as long as they are not required to provide equal access to common carriers for the provision of telephone toll services, in accordance with 47 U.S.C. 332(c)(8).

(b) Where a telecommunications carrier is selling more than one type of telecommunications service (*e.g.*, local exchange, intraLATA/intrastate toll, interLATA/interstate toll, and international toll) that carrier must obtain separate authorization from the subscriber for each service sold, although the authorizations may be made within the same solicitation. Each authorization must be verified separately from any other authorizations obtained in the same solicitation. Each authorization must be verified in accordance with the verification procedures prescribed in this part.

(c) No telecommunications carrier shall submit a preferred carrier change order unless and until the order has been confirmed in accordance with one of the following procedures:

(1) The telecommunications carrier has obtained the subscriber's written authorization in a form that meets the requirements of § 64.1130; or

(2) The telecommunications carrier has obtained the subscriber's electronic authorization to submit the preferred carrier change order. Such authorization must be placed from the telephone number(s) on which the preferred carrier is to be changed and must confirm the information in paragraph (a)(1) of this section. Telecommunications carriers electing to confirm sales electronically shall establish one or more toll-free telephone numbers exclusively for that purpose. Calls to the number(s) will connect a subscriber to a voice response unit, or similar mechanism, that records the required information regarding the preferred carrier change, including automatically recording the originating automatic number identification; or

(3) An appropriately qualified independent third party has obtained the subscriber's oral authorization to submit the preferred carrier change order that confirms and includes appropriate verification data (*e.g.* the subscriber's
