§ 1007.8 Amendment of a record.

(a) Any individual may request amendment of information pertaining to him which is contained in a system of records maintained by the Board and which is filed under his name or other individual identifier if he believes the information is not accurate, relevant, timely or complete. A request for amendment shall be directed to the Privacy Officer.

(b) A request for amendment may be made by mail or in person and shall: (1) Be in writing and signed by the person making the request; (2) describe the particular record to be amended with sufficient specificity to permit the record to be located among those maintained by the Board; and (3) specify the nature of the amendment sought and the justification for the requested change. The person making the request may be required to provide the information specified in §§1007.3 and 1007.4 in order to simplify identification of the record and permit verification of the identity of the person making the request for amendment.

(c) Receipt of a request for amendment will be acknowledged in writing within ten days (excluding Saturdays, Sundays and legal public holidays); except that if the individual is given notice within the ten-day period that his or her request will or will not be complied with, no acknowledgment is required.

(d) Assistance in preparing a request to amend a record may be obtained from the Privacy Officer, Surface Transportation Board, 1925 K Street, NW, Washington, DC 20423.

(e) Upon receipt of a request for amendment the Privacy Officer or a person designated by him shall promptly determine whether the record is materially inaccurate, incomplete, misleading, or is irrelevant or not timely, as claimed by the individual, and, if so, shall cause the record to be amended in accordance with the individual's request.

(f) If the Privacy Officer or designee grants the request to amend the record, the individual shall promptly be advised of the decision and of the action taken, and notice shall be given of the correction and its substance to each person or agency to whom the

(g) If the Privacy Officer or designee disagrees in whole or in part with a request for amendment of a record, the individual shall promptly be notified of the complete or partial denial of his request and the reasons for the refusal. The individual shall also be notified of the procedures for administrative review by the Chairman of any complete or partial denial of a request for amendment, which are set forth in §1007.9.

(h) If a request is received for amendment of a record prepared by another agency which is in the possession or control of the Board, the request for amendment will be forwarded to that agency. If that agency determines that the correction should be made, the Board will amend its records accordingly and notify the individual making the request for amendment of the change.
