

§1018.26

(b) *Suspension or revocation of tariff or insurance filing privileges.* If the account holder fails to satisfy all claims for tariff or insurance filing fees including applicable interest, penalties, and the administrative costs of collection of the debt, the Board may suspend or prohibit a tariff or insurance filing fee account holder from submitting tariff or insurance filings in its own name or on behalf of others.

(c) *Suspension or revocation of certificates, licenses, or permits granted by the Board.* The Board may suspend or revoke any certificates, permits, or licenses which the Board has granted to an account holder or other debtor for any inexcusable, prolonged, or repeated failure or refusal to pay a delinquent debt.

(d) *Procedures for suspension or revocation of filing privileges or certificates, licenses, or permits for failure to pay tariff or insurance filing fees.* Before suspending or revoking an account holder's privilege to submit tariff or insurance filings or suspending or revoking any certificate, license, or permit which the Board has granted to any account holder, the Board shall issue to the account holder an order to show cause why the tariff or insurance filing privilege or any certificate, license, or permit should not be suspended or revoked. The Board shall allow the debtor no more than 30 days to pay the debt in full including applicable interest, penalties, and administrative costs of collection of the delinquent debt. The Board may suspend or revoke any certificate, license, permit, approval or filing privilege at the end of this period upon a finding of willful noncompliance with the Board's order. If any certificate, license, permit, or filing privilege is revoked under this authority of this part, a new application with appropriate fees must be made to the Board, and all previous delinquent debts of the debtor to the Board must be paid before the Board will consider such application.

(e) *Other sanctions.* The remedies and sanctions available to the Board in this area are not exclusive. The Board may impose other sanctions, where permitted by law for any inexcusable, prolonged, or repeated failure of a debtor to pay such claim. In such cases, the

49 CFR Ch. X (10-1-01 Edition)

Board will provide notice and a hearing, as required by law, to the debtor prior to the imposition of any such sanctions.

§1018.26 Disputed debts.

(a) A debtor who disputes a debt shall explain why the debt is incorrect in fact or law within 30 days from the date that the initial demand letter was mailed. The debtor may support the explanation by submitting affidavits, statements certified under penalty of perjury, canceled checks, or other relevant evidence.

(b) The Board may extend the interest waiver period as described in §1018.30(j) pending a final determination of the existence or amount of the debt.

(c) The Board may investigate the facts involved in the dispute and if necessary, the Board may arrange for a conference at which the debtor may present evidence and arguments in support of the debtor's positions.

§1018.27 Contracting for collection services.

The Board may contract for collection services in order to recover delinquent debts. However, the Board retains the authority to resolve disputes, compromise claims, suspend or terminate collection action, and initiate enforced collection through litigation. When appropriate, the Board shall contract in accordance with 4 CFR 102.6.

§1018.28 Collection by administrative offset.

(a) The Board may administratively undertake collection by offset on each claim which is liquidated or certain in amount in accordance with the guidelines and the standards contained in 4 CFR 102.2, 102.3, and 102.4 and 5 U.S.C. 5514, as applicable. The Board may not initiate administrative offset to collect a debt more than 10 years after the Government's right to the debt first accrued, unless facts material to the Government's right to collect the debt were not known and could not reasonably have been known to the Board.

(b) Collection by administrative offset of amounts payable from the Civil Service Retirement and Disability

Surface Transportation Board, DOT

§1018.29

Fund, the Federal Employees Retirement System, or other similar fund is made pursuant to 4 CFR 102.4 and the provisions of paragraph (d) of this section.

(c) Salary offset is governed by 5 U.S.C. 5514.

(d) The following procedures apply when the Board seeks to collect a debt by offset against any payment to be made to a debtor or against the assets of a holder of a certificate, permit, license, or authorization issued by the Board.

(1) Before the offset is made, the Board shall provide the debtor written notice of the nature and amount of the debt and:

(i) Notice of the Board's intent to collect the debt by offset;

(ii) An opportunity to inspect and copy Board records pertaining to the debt;

(iii) An opportunity to request reconsideration of the debt by the Board, or if provided for by statute, waiver of the debt;

(iv) An opportunity to enter into a written agreement with the Board to repay or pay the debt, as the case may be;

(v) An explanation of the debtor's rights under this subpart; and

(vi) An opportunity for a hearing when required under the provisions of 4 CFR 102.3(c).

(2) If the Board learns that other agencies of the Government are holding funds payable to the debtor, the Board shall provide the other agencies with written certification that the debt is owed to the Board and that the Board has complied with the provisions of 4 CFR 102.3. The Board shall request that funds which are due the debtor and which are necessary to offset the debt to the Board be transferred to the Board.

(3) The Board may accept a repayment or payment agreement, as appropriate, in lieu of offset, but will do so only after balancing the Government's interest in collecting the debts against fairness to the debtor. If the debt is delinquent and the debtor has not disputed its existence or amount, the Board may accept a repayment or payment agreement in lieu of offset only if the debtor is able to establish under

sworn affidavit or statement certified under penalty of perjury that offset would result in financial hardship or would result in undue financial hardship or would be against equity and good conscience.

(4) Administrative offset is not authorized with respect to:

(i) Debts owed by any State or local government;

(ii) Debts once they become subject to the salary offset provisions of 5 U.S.C. 5514; or

(iii) Any case in which collection of the type of debt involved by administrative offset is explicitly provided for or prohibited by another statute.

(5) The Board reserves the right to take any other action in respect to offset as is permitted under 4 CFR 102.3.

(e) The Board shall make appropriate use of the cooperative efforts of other agencies including the Army Holdup List in effecting collections by offset. The Army Holdup List is a list of contractors indebted to the United States.

§1018.29 Payments.

(a) *Payment in full.* The Board shall make every effort to collect a claim in full before it becomes delinquent. The Board shall impose charges for interest, penalties, and administrative costs as specified in §1018.30.

(b) *Payment in installments.* If a debtor furnishes satisfactory evidence of inability to pay a claim in one lump sum, payment in regular installments may be arranged. Evidence may consist of a financial statement or a signed statement certified under penalty of perjury to be true and correct that application for a loan to enable the debtor to pay the claim in full was rejected. Except for a claim described at 5 U.S.C. 5514, all installment payment arrangements must be in writing and require the payment of interest and administrative charges.

(1) Installment note forms including confess-judgment notes may be used. The written installment agreement must contain a provision accelerating the debt payment in the event the debtor defaults. If the debtor's financial statement discloses the ownership of assets which are free and clear of liens or security interests, or assets in which the debtor owns equity, the
