(3) A listing, by DOT specification (or exemption) number, or U.N. designation, of the types of packagings for which approval authority is sought.

(4) A personnel qualifications plan listing the qualifications that the applicant will require of each person to be used in the performance of each packaging approval or certification function. As a minimum, these qualifications must include:

(i) The ability to review and evaluate design drawings, design and stress calculations;

(ii) A knowledge of the applicable regulations of subchapter C of this chapter and, when applicable, U.N. standards; and

(iii) The ability to conduct or monitor and evaluate test procedures and results; and

(iv) The ability to review and evaluate the qualifications of materials and fabrication procedures.

(5) A statement that the applicant will perform its functions independent of the manufacturers and owners of the packagings concerned.

(6) A statement that the applicant will allow the Associate Administrator or his representative to inspect its records and facilities in so far as they relate to the approval or certification of specification packagings and shall cooperate in the conduct of such inspections.

(c) The applicant shall furnish any additional information relevant to the applicant's qualifications, if requested by the Associate Administrator.

#### § 107.403 Designation of approval agencies.

(a) If the Associate Administrator determines that an application contains all the required information, the applicant is sent a letter of designation and assigned an identification code.

(b) If the Associate Administrator determines that an application does not contain all the required information, the application is denied and the applicant is sent a written notice containing all the reasons for the denial.

(c) Within 30 days of an initial denial of an application under paragraph (b) of this section, the applicant may file an amended application. If after considering the amended application, the Associate Administrator determines that it should be denied, he notifies the applicant, and the denial constitutes the final action of the Associate Administrator on the application. Within 60 days of receipt of the final denial the applicant may appeal the denial to the Administrator, RSPA, setting forth in writing where the Associate Administrator for Hazardous Materials Safety erred in this determination.

#### § 107.404 Conditions of designation.

(a) Each designation made under this subpart contains the following conditions:

(1) The designated approval or certification agency may use only testing equipment that it has determined, through personal inspection, to be suitable for the purpose.

(2) Each approval certificate and certification issued by the designated approval agency must contain the name and identification code of the approval agency.

(3) Each approval certificate and certification must be in a format acceptable to the Associate Administrator.

(b) The designated approval agency shall notify the Associate Administrator within 20 days after the date there is any change in the information submitted under § 107.402.

(c) The designated approval agency shall comply with all of the terms and conditions stated in its letter of designation under the subpart.

(d) Nothing in this part relieves a manufacturer or owner of a packaging of responsibility for compliance with

### § 107.405 Termination of designation.

(a) Any designation issued under § 107.403 of this subchapter may be suspended or terminated if the Associate Administrator determines that:

(1) The application for designation contained a misrepresentation, or the applicant willfully concealed a material fact.

(2) The approval agency failed to comply with a term or condition stated in the agency's letter of designation.

(3) The Competent Authority of an approval agency of a country outside the United States has failed to initiate, maintain or recognize a qualified U.S. approval agency.

(b) Before a designation is suspended or terminated, the Associate Administrator shall give to the approval agency:

(1) Written notice of the facts or conduct believed to warrant suspension or termination of the designation.

(2) Sixty days in which to show in writing why the designation should not be suspended or terminated.

## Subpart F—Registration of Cargo Tank and Cargo Tank Motor Vehicle Manufacturers and Repairers and Cargo Tank Motor Vehicle Assemblers

### § 107.501 Scope.

(a) This subpart establishes a registration procedure for persons who are engaged in the manufacture, assembly, inspection and testing, certification, or repair of a cargo tank or a cargo tank motor vehicle manufactured in accordance with a DOT specification under subchapter C of this chapter or under terms of an exemption issued under this part.

(b) Persons engaged in continuing qualification and maintenance of cargo tanks and cargo tank motor vehicles must be familiar with the requirements

## 49 CFR Ch. I (10-1-01 Edition)

set forth in part 180, subpart E, of this chapter.

[Amdt. 107-20, 55 FR 37047, Sept. 7, 1990]

### § 107.502 General registration requirements.

(a) *Definitions:* For purposes of this subpart—

(1) *Assembly* means the assembly of one or more tanks or cargo tanks to a motor vehicle or to a motor vehicle suspension component and involves no welding on the cargo tank wall.

(2) The terms *Authorized Inspector*, *Cargo tank*, *Cargo tank motor vehicle*, *Design Certifying Engineer*, *Registered Inspector*, and *Person* are defined in § 171.8 of this chapter.

(3) The terms *cargo tank wall* and *manufacturer* are defined in § 178.320(a), and *repair* is defined in § 180.403 of this chapter.

(b) No person may engage in the manufacture, assembly, certification, inspection or repair of a cargo tank or cargo tank motor vehicle manufactured under the terms of a DOT specification under subchapter C of this chapter or an exemption issued under this part unless the person is registered with the Department in accordance with the provisions of this subpart. A person employed as an inspector or design certifying engineer is considered to be registered if the person's employer is registered.

(c) A person who performs functions which are subject to the provisions of this subpart may perform only those functions which have been identified to the Department in accordance with the procedures of this subpart.

(d) Registration statements must be in English, contain all of the information required by this subpart, and be submitted to: Approvals Branch, Associate Administrator for Hazardous Materials Safety, Attn: DHM-32, Research and Special Programs Administration, Department of Transportation, Washington, DC 20590-0001.

(e) Upon determination that a registration statement contains all the information required by this subpart, the Department will send the registrant a letter confirming receipt of the registration application and assigning a registration number to that person. A separate registration number will be
