or demeanor of the witness may be of importance.

§1113.10 Records in other Board proceedings.

A portion of the record before the Board in another proceeding may be offered in evidence at an oral hearing. A party making such an offer must provide, as an exhibit, a certified copy of the material sought to be introduced. A hearing officer may waive the requirement that a copy be provided, subject to such conditions as he or she may impose to assure that a copy will be available later, if needed, at no expense to the Board and to assure that the interests of other parties are not prejudiced. An offer of evidence under this section will be subject to objection by other parties.

§1113.11 Abstracts of documents.

When documents, such as freight bills or bills of lading, are numerous, the officer may refuse to receive all the documents in evidence and instead admit only a limited number of representative documents. He may instruct, if the proffer be for the purpose of proving damage, that introduction be deferred until there is opportunity to comply with §1133.2. If the proffer be for another purpose the officer may require the party in orderly fashion to abstract the relevant data from the documents, affording other parties reasonable opportunity to examine both the documents and the abstract, and thereupon offer such abstract in evidence in exhibit form.

§1113.12 Exhibits.

(a) *Copies.* Unless the officer otherwise directs, the original and 10 copies of each exhibit of a documentary character should be furnished for the use of the Board. The original will be delivered to the reporter, and the copy to the officer. If the hearing is before a board, a copy of the exhibit should be furnished to each member of the board, unless the board otherwise directs. Unless the officer for cause directs other-

wise, a reasonable number of copies should be furnished to counsel in attendance at the hearing.

(b) *Interchange prior to hearing.* Whenever practicable, the parties should interchange copies of exhibits or other pertinent material or matter before or at the commencement of the hearing; and the Board or presiding officer may so direct.

(c) *When excluded how treated.* When exhibit has been identified, objected to, and excluded, the officer will develop whether the party offering the exhibit withdraws the offer, and if so, permit the return of the exhibit to him. If the excluded exhibit is not withdrawn, it should be given an exhibit number for identification and be incorporated in the record. Exhibit numbers once used for identification will not be duplicated thereafter.

§1113.13 Filing evidence subsequent to hearing; copies.

Except as provided in this section or as expressly may be permitted in a particular instance, the Board will not receive in evidence or consider as part of the record any documents, letters, or other writings submitted for consideration in connection with any proceeding after close of the hearing, and may return any such documents to the sender. Before the close of a hearing the officer may, at the request of a party or upon his own motion, or upon agreement of the parties, require that a party furnish additional documentary evidence that supplements the existing record, within a stated period of time. Documentary evidence to be furnished in this way will be given an exhibit number at the time of filing and the parties advised accordingly. Unless otherwise directed by the officer, the original and 10 copies of such submission should be filed with the Board.

record the action which he desires the officer to take or his objection to the action of the officer and his grounds for that objection. An objection not pressed in brief will be considered as waived. Where no brief is filed an objection will be considered as waived if not pressed in an appeal or reply to an appeal, if filed, or in a separate petition dealing only with that objection.

§1113.15 Interlocutory appeals.

Rulings of the presiding officer may be appealed prior to service of the initial decision only if:

(a) The ruling denies or terminates any person's participation,

(b) The ruling grants a request for the inspection of documents not ordinarily available for public inspection,

(c) The ruling overrules an objection based on privilege, the result of which ruling is to require the presentation of testimony or documents, or

(d) The presiding officer finds that the ruling may result in substantial irreparable harm, substantial detriment to the public interest, or undue prejudice to a party.

§1113.16 Oral argument before the hearing officer.

At the discretion of the hearing officer and upon reasonable notice to the parties, oral argument may be made at the close of testimony before him as an alternative to the filing of written briefs. Such argument, which should include requested findings and conclusions, will be recorded and made a part of the transcript of testimony, and will be available to the Board for consideration in deciding the case. The making of such argument will not preclude oral argument before the Board.

§1113.17 Transcript of record.

(a) *Filing.* After the close of the hearing, the complete transcript of the testimony taken and the exhibits shall be part of the record in the proceeding.

(b) *Corrections.* A suggested correction in a transcript ordinarily will be considered only if offered not later than 20 days after the date each transcript is filed with the Board. A copy of the letter (original only need be filed

with the Board) requesting the suggested corrections should be served upon all parties of record and with 2 copies to the official reporter.

(c) *Objections to corrections.* Parties disagreeing with corrections suggested pursuant to paragraph (b) of this section should file written objections in the same manner as suggested corrections are to be filed. Objections to suggested corrections should be filed not later than 15 days after the filing with the Board of suggested corrections. If no objections are timely filed, the Secretary of the Board shall make the suggested corrections to the transcript. If objections are timely filed, the officer who presided at the hearing shall determine the merits of the suggested correction and enter an appropriate decision in the proceeding.

(d) *No free copies.* The Board will not furnish free copies of the transcript to any party to any proceeding.

§1113.18 Briefs.

(a) *When filed.* In a proceeding which has been the subject of oral hearing, and in which briefs are to be filed, that fact will be stated by the officer on the record. The officer shall fix the time for filing briefs. Simultaneous filing will normally be required, and reply briefs will not normally be permitted.

(b) *Evidence abstract.* A brief filed after a hearing may contain an abstract of the evidence relied upon by the party filing it, preferably assembled by subjects, with reference to the pages of the record, if written, or exhibit where the evidence appears. In the event the party elects not to include a separate abstract in his brief, he should give specific reference to the portions of the record, whether transcript or otherwise, relied upon in support of the respective statements of fact made throughout the brief.

(c) *Requested findings.* Each brief should include such requests for specific findings, separately stated and numbered, as the party desires the Board to make.

(d) *Exhibit reproduction.* Exhibits should not be reproduced in the brief, but may be shown, within reasonable limits, in an appendix to the brief.
