that purpose). Applications shall be made under oath and shall contain an appropriate certification (if a corporation, by its secretary) showing that the affiant is duly authorized to verify and file the application. Any persons controlling an applicant shall also sign the application.

(d) *Related applications.* Applicant shall file concurrently all directly related applications (e.g., to issue securities, control motor carriers, obtain access to terminal operations, acquire trackage rights). All such applications will be considered with the main application.

(e) *Service.* As soon as the docket number is obtained the applicant shall serve a conformed copy of the application by first-class mail upon the Governor (or Executive Officer), Public Service Board, and Department of Transportation of each State in which any part of the properties involved in the proposed transaction is located. Within 2 weeks of filing, applicant shall submit to the Board a copy of the certificate of service indicating that all persons so designated have been served a copy of the application.

(f) *Publication.* Within 2 weeks of filing, applicant shall have published the summary of the application (prepared under §1150.9) in a newspaper of general circulation in each county in which the line is located. The notice should inform interested parties of the date by which they must advise the Board of their interest in the proceeding. This date shall be calculated as the 35th day after the filing of the application which is neither a Saturday, Sunday, or legal holiday in the District of Columbia. Applicant must file an affidavit of publication immediately after the publication has been completed. The Board will, as soon as practicable, either publish the notice summary in the FEDERAL REGISTER or reject the application if it is incomplete.

(g) *Public participation.* Written comments (with 10 copies) must be filed within 35 days of the filing of the application. Comments must contain the basis for the party's position either in support or opposition. Applicant must be served with a copy of each comment. On the basis of the comments and the assessment by the Section of Environ-

mental Analysis, the Board will decide if a hearing is necessary. A hearing may be either oral or through receipt of written statements (modified procedure). (See 49 CFR 1112.1 *et seq.*) If there is no opposition to the application, additional evidence normally need not be filed, and a decision will be reached using the information in the application.

(h) *Replies to written comments.* Applicant's replies will be considered by the Board provided they are filed and served within 5 days of the due date of the pleadings they address.

Subpart B—Designated Operators

§1150.11 Introduction.

A certificate of designated operator will be issued to an operator providing service pursuant to a rail service continuation agreement under section 304 of the Regional Rail Reorganization Act of 1973, as amended by the Railroad Revitalization and Regulatory Reform Act of 1976. The designated operator (D-OP) may commence and terminate the service in accordance with the terms of the agreement. When service is terminated the D-OP must notify all shippers on the line. To obtain a D-OP certificate, the information in this subpart must be filed with the Board. A copy of the certificate of designated operator shall be served on the Association of American Railroads.

§1150.12 Information about the designated operator.

(a) The name and address of the D-OP.

(b) If a new corporation or other new business entity, a copy of the certificate of incorporation or, if unincorporated, the facts and official organizational documents relating to the business entity.

(c) The names and addresses of all officers and directors, with a statement from each which indicates present affiliation, if any, with a railroad.

(d) Sufficient information to establish its financial responsibility for the proposed undertaking, unless the D-OP
