APPENDIX C TO PART 21—APPLICATION OF PART 21 TO CERTAIN FEDERAL FINANCIAL ASSISTANCE OF THE DEPARTMENT OF TRANSPORTATION

NONDISCRIMINATION ON FEDERALLY ASSISTED PROJECTS

(a) *Examples.* The following examples, without being exhaustive, illustrate the application of the nondiscrimination provisions of this part on projects receiving Federal financial assistance under the programs of certain Department of Transportation operating administrations:

(1) *Federal Aviation Administration.* (i) The airport sponsor or any of his lessees, concessionaires, or contractors may not differentiate between members of the public because of race, color, or national origin in furnishing, or admitting to, waiting rooms, passenger holding areas, aircraft tiedown areas, restaurant facilities, restrooms, or facilities operated under the compatible land use concept.

(ii) The airport sponsor and any of his lessees, concessionaires, or contractors must offer to all members of the public the same degree and type of service without regard to race, color, or national origin. This rule applies to fixed base operators, restaurants, snack bars, gift shops, ticket counters, baggage handlers, car rental agencies, limousines and taxis franchised by the airport sponsor, insurance underwriters, and other businesses catering to the public at the airport.

(iii) An aircraft operator may not be required to park his aircraft at a location that is less protected, or less accessible from the terminal facilities, than locations offered to others, because of his race, color, or national origin.

(iv) The pilot of an aircraft may not be required to help more extensively in fueling operations, and may not be offered less incidental service (such as windshield wiping), than other pilots, because of his race, color, or national origin.

(v) No pilot or crewmember eligible for access to a pilot's lounge or to unofficial communication facilities such as a UNICOM frequency may be restricted in that access because of his race, color, or national origin.

(vi) Access to facilities maintained at the airport by air carriers or commercial operators for holders of first-class transportation tickets or frequent users of the carrier's or

operator's services may not be restricted on the basis of race, color, or national origin.

(vii) Passengers and crewmembers seeking ground transportation from the airport may not be assigned to different vehicles, or delayed or embarrassed in assignment to vehicles, by the airport sponsor or his lessees, concessionaires, or contractors, because of race, color, or national origin.

(viii) Where there are two or more sites having equal potential to serve the aeronautical needs of the area, the airport sponsor shall select the site least likely to adversely affect existing communities. Such site selection shall not be made on the basis of race, color, or national origin.

(ix) Employment at obligated airports, including employment by tenants and concessionaires shall be available to all regardless of race, creed, color, sex, or national origin. The sponsor shall coordinate his airport plan with his local transit authority and the Urban Mass Transportation Administration to assure public transportation, convenient to the disadvantaged areas of nearby communities to enhance employment opportunities for the disadvantaged and minority population.

(x) The sponsor shall assure that the minority business community in his area is advised of the opportunities offered by airport concessions, and that bids are solicited from such qualified minority firms, and awards made without regard to race, color, or national origin.

(2) *Federal Highway Administration.* (i) The State, acting through its highway department, may not discriminate in its selection and retention of contractors, including without limitation, those whose services are retained for, or incidental to, construction, planning, research, highway safety, engineering, property management, and fee contracts and other commitments with person for services and expenses incidental to the acquisition of right-of-way.

(ii) The State may not discriminate against eligible persons in making relocation payments and in providing relocation advisory assistance where relocation is necessitated by highway right-of-way acquisitions.

(iii) Federal-aid contractors may not discriminate in their selection and retention of first-tier subcontractors, and first-tier subcontractors may not discriminate in their selection and retention of second-tier subcontractors, who participate in Federal-aid highway construction, acquisition of right-of-way and related projects, including those who supply materials and lease equipment.

(iv) The State may not discriminate against the traveling public and business users of the federally assisted highway in their access to and use of the facilities and services provided for public accommodations (such as eating, sleeping, rest, recreation,

**Pt. 23**

and vehicle servicing) constructed on, over or under the right-of-way of such highways.

(v) Neither the State, any other persons subject to this part, nor its contractors and subcontractors may discriminate in their employment practices in connection with highway construction projects or other projects assisted by the Federal Highway Administration.

(vi) The State shall not locate or design a highway in such a manner as to require, on the basis of race, color, or national origin, the relocation of any persons.

(vii) The State shall not locate, design, or construct a highway in such a manner as to deny reasonable access to, and use thereof, to any persons on the basis of race, color, or national origin.

(3) *Urban Mass Transportation Administration.* (i) Any person who is, or seeks to be, a patron of any public vehicle which is operated as a part of, or in conjunction with, a project shall be given the same access, seating, and other treatment with regard to the use of such vehicle as other persons without regard to their race, color, or national origin.

(ii) No person who is, or seeks to be, an employee of the project sponsor or lessees, concessionaires, contractors, licensees, or any organization furnishing public transportation service as a part of, or in conjunction with, the project shall be treated less favorably than any other employee or applicant with regard to hiring, dismissal, advancement, wages, or any other conditions and benefits of employment, on the basis of race, color, or national origin.

(iii) No person or group of persons shall be discriminated against with regard to the routing, scheduling, or quality of service of transportation service furnished as a part of the project on the basis of race, color, or national origin. Frequency of service, age and quality of vehicles assigned to routes, quality of stations serving different routes, and location of routes may not be determined on the basis of race, color, or national origin.

(iv) The location of projects requiring land acquisition and the displacement of persons from their residences and businesses may not be determined on the basis of race, color, or national origin.

(b) *Obligations of the airport operator—* (1) *Tenants, contractors, and concessionaires.* Each airport operator shall require each tenant, contractor, and concessionaire who provides any activity, service, or facility at the airport under lease, contract with, or franchise from the airport, to covenant in a form specified by the Administrator, Federal Aviation Administration, that he will comply with the nondiscrimination requirements of this part.

(2) *Notification of beneficiaries.* The airport operator shall: (i) Make a copy of this part available at his office for inspection during

**49 CFR Subtitle A (10-1-01 Edition)**

normal working hours by any person asking for it, and (ii) conspicuously display a sign, or signs, furnished by the FAA, in the main public area or areas of the airport, stating that discrimination based on race, color, or national origin is prohibited on the airport.

(3) *Reports.* Each airport owner subject to this part shall, within 15 days after he receives it, forward to the Area Manager of the FAA Area in which the airport is located a copy of each written complaint charging discrimination because of race, color, or national origin by any person subject to this part, together with a statement describing all actions taken to resolve the matter, and the results thereof. Each airport operator shall submit to the area manager of the FAA area in which the airport is located a report for the preceding year on the date and in a form prescribed by the Federal Aviation Administrator.
