Subpart B—Real Property Acquisition

§ 24.101 Applicability of acquisition requirements.

(ii) The property to be acquired is not part of an intended, planned, or designated project area where all or substantially all of the property within the area is to be acquired within specific time limits.

(iii) The Agency will not acquire the property in the event negotiations fail to result in an amicable agreement, and the owner is so informed in writing.

(iv) The Agency will inform the owner of what it believes to be the fair market value of the property.

(2) Acquisitions for programs or projects undertaken by an Agency or person that receives Federal financial assistance but does not have authority to acquire property by eminent domain, provided that such Agency or person shall:

(i) Prior to making an offer for the property, clearly advise the owner that it is unable to acquire the property in the event negotiations fail to result in an amicable agreement; and

(ii) Inform the owner of what it believes to be fair market value of the property.

(3) The acquisition of real property from a Federal agency, State, or State agency, if the Agency desiring to make

(5) Acquisition for a program or project which is undertaken by, or receives Federal financial assistance from, the Tennessee Valley Authority or the Rural Electrification Administration.

(b) *Less-than-full-fee interest in real property.* In addition to fee simple title, the provisions of this subpart apply when acquiring fee title subject to retention of a life estate or a life use; to acquisition by leasing where the lease term, including option(s) for extension, is 50 years or more; and to the acquisition of permanent easements.
