section may be considered in a public entity's request for an undue financial burden waiver under §§ 37.151–37.155 of this part.

[56 FR 45621, Sept. 6, 1991, as amended at 61 FR 25416, May 21, 1996]

#### § 37.133 Subscription service.

(a) This part does not prohibit the use of subscription service by public entities as part of a complementary paratransit system, subject to the limitations in this section.

(b) Subscription service may not absorb more than fifty percent of the number of trips available at a given time of day, unless there is non-subscription capacity.

(c) Notwithstanding any other provision of this part, the entity may establish waiting lists or other capacity constraints and trip purpose restrictions or priorities for participation in the subscription service only.

#### § 37.135 Submission of paratransit plan.

(a) *General.* Each public entity operating fixed route transportation service, which is required by § 37.121 to provide complementary paratransit service, shall develop a paratransit plan.

(b) *Initial submission.* Except as provided in § 37.141 of this part, each entity shall submit its initial plan for compliance with the complementary paratransit service provision by January 26, 1992, to the appropriate location identified in paragraph (f) of this section.

(c) *Annual Updates.* Except as provided in this paragraph, each entity shall submit an annual update to its plan on January 26 of each succeeding year.

(1) If an entity has met and is continuing to meet all requirements for complementary paratransit in §§ 37.121–37.133 of this part, the entity may submit to FTA an annual certification of continued compliance in lieu of a plan update. Entities that have submitted a joint plan under § 37.141 may submit a joint certification under this paragraph. The requirements of §§ 37.137 (a) and (b), 37.138 and 37.139 do not apply when a certification is submitted under this paragraph.

In this case, the entity shall also file a plan update meeting the requirements of §§ 37.137–37.139 of this part on the next following January 26 and in each succeeding year until the entity returns to full compliance.

(3) An entity that has demonstrated undue financial burden to the FTA shall file a plan update meeting the requirements of §§ 37.137–37.139 of this part on each January 26 until full compliance with §§ 37.121–37.133 is attained.

(4) If FTA reasonably believes that an entity may not be fully complying with all service criteria, FTA may require the entity to provide an annual update to its plan.

(d) *Phase-in of implementation.* Each plan shall provide full compliance by no later than January 26, 1997, unless the entity has received a waiver based on undue financial burden. If the date for full compliance specified in the plan is after January 26, 1993, the plan shall include milestones, providing for measured, proportional progress toward full compliance.

(e) *Plan implementation.* Each entity shall begin implementation of its plan on January 26, 1992.
