If a manufacturer subsequently becomes aware that either the beginning or the completion date reported to the agency will be delayed by more than two weeks, it shall promptly advise the agency of the delay and the reasons therefor, and furnish a revised estimate.

(iii) If a manufacturer intends to file a petition for an exemption from the recall requirements of the Act on the basis that a defect or noncompliance is inconsequential as it relates to motor vehicle safety, it shall notify NHTSA of that intention in its report to NHTSA of the defect or noncompliance under this section. If such a petition is filed and subsequently denied, the manufacturer shall provide the information required by paragraph (c)(8)(ii) of this section within five Federal government

Submission shall be made by any means which permits the manufacturer to verify promptly that the copy of the proposed letter was in fact received by ODI and the date it was received by ODI.

(11) The manufacturer's campaign number, if it is not identical to the identification number assigned by NHTSA.
