

(g) *Acknowledgment of requests.* Written requests to verify the existence of, to obtain access to, or to correct or amend records about the requester maintained by NTSB in any system of records subject to the Act, shall be acknowledged in writing by the Director, Bureau of Administration, or his designee, within 3 working days after the date of actual receipt of the request by the Director, Bureau of Administration, or his designee. The acknowledgment shall advise the requester of the need for any additional information to process the request. Wherever practicable, the acknowledgment shall notify the individual whether his request has been granted or denied. When a request is made in person, every effort will be made to determine immediately whether the request will be granted. If such decision cannot be made, the request will be processed in the same manner as a written request. Records will be made available for immediate inspection whenever possible.
