

§ 216.146

(d)(1) A report summarizing the results of structure removal activities, mitigation measures, monitoring efforts, and other information as required by a Letter of Authorization, must be submitted to the Director, NMFS, Southeast Region, 9721 Executive Center Drive N, St. Petersburg, FL 33702 within 30 calendar days of completion of the removal of the rig.

(2) NMFS will accept the U.S. Government observer report as the activity report if all requirements for reporting contained in the Letter of Authorization are provided to that observer before the observer's report is complete.

§ 216.146 Letters of Authorization.

(a) To incidentally take bottlenose and spotted dolphins pursuant to these regulations, each company operating or which operated an oil or gas structure in the geographical area described in § 216.141, and which is responsible for abandonment or removal of the platform, must apply for and obtain a Letter of Authorization in accordance with § 216.106.

(b) A copy of the Letter of Authorization must be in the possession of the persons conducting activities that may involve incidental takings of bottlenose and spotted dolphins.

§ 216.147 Renewal of Letters of Authorization.

(a) A Letter of Authorization issued under § 216.106 for the activity identified in § 216.141 will be renewed annually upon:

(1) Timely receipt of the reports required under § 216.145(d), which have been reviewed by the Assistant Administrator and determined to be acceptable;

(2) A determination that the maximum incidental take authorizations in § 216.141(b) will not be exceeded; and

(3) A determination that the mitigation measures required under § 216.143(b) and the Letter of Authorization have been undertaken.

(b) If a species' annual authorization is exceeded, the Assistant Administrator will review the documentation submitted with the annual reports re-

§ 216.148 Modifications to Letters of Authorization.

(a) In addition to complying with the provisions of § 216.106, except as provided in paragraph (b) of this section, no substantive modification, including withdrawal or suspension, to the Letter of Authorization issued pursuant to § 216.106 and subject to the provisions of this subpart shall be made until after notice and an opportunity for public comment. For purposes of this paragraph, renewal of a Letter of Authorization under § 216.147, without modification, is not considered a substantive modification.

(b) If the Assistant Administrator determines that an emergency exists that poses a significant risk to the well-being of the species or stocks of marine mammals specified in § 216.141(b), the Letter of Authorization issued pursuant to § 216.106, or renewed pursuant to this section may be substantively modified without prior notice and an opportunity for public comment. A notice will be published in the FEDERAL REGISTER subsequent to the action.
