

§ 300.22 Yellowfin tuna—Record-keeping and written reports.

The master or other person in charge of a fishing vessel, or a person authorized in writing to serve as the agent for either person, must keep an accurate log of all operations conducted from the fishing vessel, entering for each day the date, noon position (stated in latitude and longitude or in relation to known physical features), and the tonnage of fish on board, by species. The record and bridge log maintained at the request of the IATTC shall be sufficient to comply with this paragraph, provided the items of information specified are accurately entered in the log.

§ 300.23 Yellowfin tuna—Persons and vessels exempted.

This subpart does not apply to:

(a) Any person or vessel authorized by the IATTC, the Assistant Administrator, or any state of the United States to engage in fishing for research purposes.

(b) Any person or vessel engaged in sport fishing for personal use.

§ 300.24 Pacific bluefin tuna—Dealer permits.

(a) *General.* A dealer importing Pacific bluefin tuna, or purchasing or receiving for export Pacific bluefin tuna first landed in the United States, must have a valid permit issued under this section.

(b) *Application.* A dealer must apply for a permit in writing on an appropriate form obtained from the Regional Director. The application must be signed by the dealer and be submitted to the Regional Director at least 30 days before the date upon which the dealer desires to have the permit made effective. The application must contain the following information: Company name, principal place of business, owner's or owners' names, applicant's name (if different from owner or owners) and mailing address and telephone number, and any other information required by the Regional Director.

(c) *Issuance.* (1) Except as provided in subpart D of 15 CFR part 904, the Regional Director will issue a permit within 30 days of receipt of a completed application.

(2) The Regional Director will notify the applicant of any deficiency in the application. If the applicant fails to correct the deficiency within 15 days following the date of notification, the application will be considered abandoned.

(d) *Duration.* Any permit issued under this section is valid until December 31 of the year for which it is issued, unless suspended or revoked.

(e) *Alteration.* Any permit that is substantially altered, erased, or mutilated is invalid.

(f) *Replacement.* The Regional Director may issue replacement permits. An application for a replacement permit is not considered a new application.

(g) *Transfer.* A permit issued under this section is not transferable or assignable; it is valid only for the dealer to whom it is issued.

(h) *Inspection.* The dealer must keep the permit issued under this section at his/her principal place of business. The permit must be displayed for inspection upon request of any authorized officer, or any employee of NMFS designated by the Regional Director for such purpose.

(i) *Sanctions.* The Assistant Administrator may suspend, revoke, modify, or deny a permit issued or sought under this section. Procedures governing permit sanctions and denials are found at subpart D of 15 CFR part 904.

(j) *Fees.* The Regional Director may charge a fee to recover the administrative expenses of permit issuance. The amount of the fee is calculated, at least annually, in accordance with the procedures of the NOAA Finance Handbook, available from the Regional Director, for determining administrative costs of each special product or service. The fee may not exceed such costs and is specified on each application form. The appropriate fee must accompany each application. Failure to pay the fee will preclude issuance of the permit. Payment by a commercial instrument later determined to be insufficiently funded shall invalidate any permit.

(k) *Change in application information.* Within 15 days after any change in the information contained in an application submitted under this section, the dealer issued a permit must report the change to the Regional Director in

Int'l. Fishing and Related Activities

§ 300.28

writing. The permit is void if any change in information is not reported within 15 days.

§ 300.25 Pacific bluefin tuna—Dealer recordkeeping and reporting.

Any person issued a dealer permit under § 300.24:

(a) Must submit to the Regional Director a biweekly report on bluefin imports and exports on forms supplied by NMFS.

(1) The report required by this paragraph (a) must be postmarked and mailed at the dealer's expense within 10 days after the end of each 2-week reporting period in which Pacific bluefin tuna were exported. The biweekly reporting periods are defined as the first day to the 14th day of each month and the 15th day to the last day of the month.

(2) Each report must specify accurately and completely for each tuna or each shipment of bulk-frozen tuna exported: Date of landing or import; any tag number (if so tagged); weight in kilograms (specify if round or dressed); and any other information required by the Regional Director. At the top of each form, the company's name, license number, and the name of the person filling out the report must be specified. In addition, the beginning and ending dates of the 2-week reporting period must be specified by the dealer and noted at the top of the form.

(b) Must allow an authorized officer, or any employee of NMFS designated by the Regional Director for this purpose, to inspect and copy any records of transfers, purchases, or receipts of Pacific bluefin tuna.

(c) Must retain at his/her principal place of business a copy of each biweekly report for a period of 2 years from the date on which it was submitted to the Regional Director.

§ 300.26 Pacific bluefin tuna—Tags.

(a) *Issuance.* The Regional Director will issue numbered tags to each person receiving a dealer's permit under § 300.24.

(b) *Transfer.* Tail tags issued under this section are not transferable and are usable only by the permitted dealer to whom they are issued.

(c) *Affixing tags.* At the discretion of dealers permitted under § 300.24, a tag issued under paragraph (a) of this section may be affixed to each Pacific bluefin tuna purchased or received by the dealer. If so tagged, the tag must be affixed to the tuna between the fifth dorsal finlet and the keel and tag numbers must be recorded on NMFS reports required by § 300.25(a) and any documents accompanying the shipment of Pacific bluefin tuna for domestic commercial use or export.

(d) *Removal.* A NMFS-issued tag affixed to any Pacific bluefin tuna at the option of any permitted dealer under paragraph (c) of this section or any tag affixed to any Pacific bluefin tuna to meet the requirements of § 285.202(a)(6)(v) of this chapter must remain on the tuna until the tuna is cut into portions. If the tuna or tuna parts subsequently are packaged for transport for domestic commercial use or for export, the tag number must be written legibly and indelibly on the outside of any package or container.

(e) *Reuse.* Tags issued under this section are separately numbered and may be used only once, one tail tag per fish, to distinguish the purchase of one Pacific bluefin tuna. Once affixed to a tuna or recorded on any package, container or report, a tail tag and associated number may not be reused.

§ 300.27 Pacific bluefin tuna—Documentation requirements.

Bluefin tuna imported into, or exported or re-exported from the customs territory of the United States is subject to the documentation requirements specified in part 285 of this chapter (§§ 285.200–285.203).

§ 300.28 Pacific bluefin tuna—Prohibitions.

In addition to the prohibitions in § 300.4, it is unlawful for any person or vessel subject to the jurisdiction of the United States to:

(a) Import Pacific bluefin tuna or purchase or receive for export Pacific bluefin tuna first landed in the United States without a valid dealer permit issued under § 300.24.

(b) Remove any NMFS-issued tag affixed to any Pacific bluefin tuna at the option of any permitted dealer or any
